January 2022

Message from the Superintendent

Dear Rebel Nation:

Happy New Year! We are excited to enter 2022 and look forward to an abundance of learning opportunities. We hope that your family had a wonderful holiday season. Classes will resume on Tuesday, January 4, 2022. We look forward to growing the intellectual capacity of our future generations in the new year.

We would like to congratulate our students, staff, and community. US NEWS and REPORTS ranked both Crestview Elementary and Crestview Middle School as one of Ohio's Best Schools. Which means that we rank in the top 30% of schools in the state of Ohio. This is a tremendous accomplishment for our students, staff, and the whole community. I personally want to thank everyone for their innovation and creativity.

January is a month where we lack some daylight. However, we have some bright stars here in Rebel Nation. We have the cure for the winter blahs! We invite you to come out and watch our students excel. We have plenty of basketball, wrestling, and bowling home matches in the coming weeks. Our home bowling matches are held at Hunt Club Lanes in Salem. In addition, our robotics team will be participating in some local tournaments as they prepare for the county championship to be held on Saturday, February 5, 2022, at Crestview High School. We will also have Speech and Debate as well as Academic Challenge competitions over the next few weeks.

Our local bonds for building construction have sold with an average rate of 3.21%. This is an excellent rate and is unexpectedly low. It simply means that it gives us more leverage in covering costs as we move forward with the building project. The new K-12, north end of the building will be heading to formalized design very soon. We will hear more on the state contributions in late spring as the state moves forward after limited work during the pandemic. We believe 2022 offers hope on putting the vision of this community into action. We will keep everyone updated.

We know that this new building complex will offer students a chance to explore and invent. Classrooms are changing from rows to collaborative spaces with maker spaces. The current model of straight rows to prepare students will change to spaces equipped for invention and discovery. We have great partners and opportunities. We need to make sure that our physical space matches the needs for this type of learning. The future of our nation depends on us evolving to graduate students who are employable. It will be up to us to provide them with the spaces needed to explore. Currently, we hope that you get a chance to view our new manufacturing lab that just opened in our current building. The workforce is changing and we will need to continue to change with it. We must evolve to meet the needs of tomorrow and not the needs of the past. This evolution is what has made the Rebel Nation great for decades.

Finally, we invite community members to join the Superintendent Advisory Committee. This group meets every other month. If you would like to join, please email my assistant Mrs. Jessica Bloss at jbloss@crestviewlocal.k12.oh.us. The next meeting will be held on, Thursday, January 20th at 6:00 p.m. in the Home EC room.

Happy New Year! Go Rebels!

THE WORKMAN FAMILY GIFT EXCHANGE

Students from Springfield Local Intermediate and Crestview Middle School met up in the Village Plaza in Columbiana on Tuesday, December 14th. They exchanged bags full of toys, baby items, and personal hygiene products. It is the 22nd year that the schools have held the holiday exchange. Between the two schools, they typically collect over 1,500 gifts to donate. The gifts received from Springfield were taken to the 4Cs and Springfield takes gifts received from Crestview to their community building. The gifts are sorted by age and gender to be passed out to families in need in time for Christmas!

CES NEWS!

Crestview Local Elementary School

A huge THANK YOU!

On behalf of Crestview Elementary we would like to thank all of those who have donated hats, socks, mittens, or all of the above! These items will be used to help families in need here at CES as well as be used to donate to the 4C's. Thank you!

Winter Concerts!

Mrs. Gladman along with the first grade and third grade students performed winter classic songs in front of their families and friends just before the holiday break. This event spread holiday cheer throughout the community and the students did a fantastic job!

Artistic Designs

Mrs. Spencer and a few of her 2nd grade students pose for a quick picture! These students created tree ornaments in art class and used them to decorate the tree in the front office.

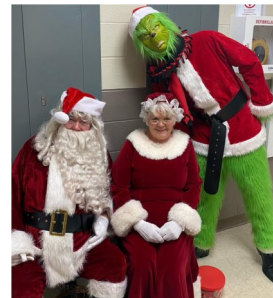

Kudos to these students and Mrs. Spencer for their creativity!

Winter Reminders

- Please dress your child appropriately as the weather is starting to get much colder. As a reminder that students will still participate in outside recess as long as the "feel like" temperature is at 20 degrees or higher.
- Label all student belongings as it makes it much easier to return items that are brought to the lost and found, which is currently overflowing!

Cookies with Santa 2.0

CES would like to extend a special thank you to the PTO, the After School Program, and Eighth and Moon Photography, for their support and dedication to making cookies with Santa 2.0 a major success. There were visitors such as Santa Claus, Mrs. Claus, and even the Grinch stopped by!
