November 2022

## *Message from the Superintendent*

Dear Rebel Nation,

As we wrap up the first grading period of the 2022-2023 school year, we are also at the conclusion of our Fall athletic programs. Our football team ended their season on October 21st with Senior Night, where we recognized senior football players, band, cheerleaders and golf team members. Our middle school band students also had the opportunity to perform with the high school band at halftime. It was a fantastic night for a great game, which then ended with a fireworks show provided by QuickMed! Both of our soccer teams advanced into District tournaments, but lost as they fought through hard games to complete their season. Our varsity volleyball team advances as District Champs and will be heading to Barberton on November 3, 2022, for the regional semi final contest. Good Luck Lady Rebels!

Friday, October 28, was a great day filled with holiday festivities, students in our elementary school participated in their annual fall parade and our high school students marked the day with a costume contest. On Monday, October 31, the middle school held their annual haunted hallway, pumpkin carving contest and dress up day. It was a great time to see the students able to be kids and enjoy some holiday fun.

CLSD is continuing to develop the best possible plans with the Ohio Facilities Construction Commission for our new facility. Presently, we are completing the construction management vetting process and aligning a time frame for early site planning. Once the district has the budgets aligned, the construction team members in place, and the overall schematic aligned we will update our community on the design elements.

Please check the building level pages in the informagram and on the web page as we have many events coming up in November. A personal highlight is the Veterans Day programs, the first will be held on Friday, November 11th, where we will begin our recognition, with a breakfast to be held at 8 a.m. in the MS Cafeteria, then a program at 9 a.m. to follow. The elementary students will showcase their talents and recognize our veterans on Monday, November 14th at 7 p.m. with a concert in the Performing Arts Center (PAC).

As members of the Crestview Community, the Hill Family is so very thankful for our friends and neighbors. When we reflect on all our blessings, I encourage each of you to make sure those with any needs have access to assistance this time of year. Enclosed in this edition is contact information that outlines ways to provide the many needs families experience during the holiday season. A major reason to be part of this school community is our staff, students and neighbors. I am so thankful for what each person brings to make this district a great place to educate our students.

Please be advised of the calendar and days school is not in session around the Thanksgiving holiday. There will be no school November 23-28. School will resume on Tuesday, November 29th.

Sincerely,

A handwritten signature in blue ink that reads "Daniel C. Hill".

Daniel C. Hill, Superintendent

## FROM THE COUNSELOR'S OFFICE:

The Virtual CCP information meeting will be available this month. Every student in grades 6 through 11 will be emailed the information to their school email. It will be posted on the High School Counselor's web page. Students and/or guardians wishing to schedule with Mr. Miller, the high school counselor, can go to: <https://miller-schoolcounselor.youcanbook.me/>

On Friday, November 18, 2022 - All Crestview juniors will have the opportunity to explore careers using the ASVAB.

FAFSA is now open for seniors and parents to apply. More information is available on Counselor's Page.

## CONGRATULATIONS!

Recently Crestview High School completed the application and it was accepted to receive the Purple Star Award! The Purple Star Award recognizes schools that show a major commitment to students and families connected to our nation's military.

A room is set up in the high school for our military families to have family time, meetings, and other special usage.

## PRE-APPRENTICESHIP

The Ohio State Apprenticeship Council and Ohio Jobs & Family Services approved the Crestview High School Pre-Apprentice Program. This will allow Crestview High School students an additional pathway to graduation.

Crestview is sponsored by Mahoning Valley Manufacturers' Coalition (MVMC)

## Holiday Assistance

Please be on the lookout for exciting information regarding our holiday events and a sign up for holiday assistance. The application for assistance will be located on our webpage, Facebook, and a hard copy will be sent home as well. Furthermore,

each building will be collecting certain items to help those in need.

## Collection items include:

Elementary - Hats, Socks and Gloves - Week of December 1st through December 9th.

## Veterans Day Celebration

Please come out and support our Veterans as our second grade students showcase many thanks and their talents on Monday, November 14th at 7:00 p.m. in the Performing Arts Center.

## Students Serving Teachers!

Mr. Weber and a few of the students in his classroom are learning to become entrepreneurs! The students have been learning about budgets, ordering in bulk, as well as supply and demand. This group of students have decided to open a coffee bar; Crestview Excel Service (CES) in the school, which is currently open on Tuesday's and Thursday's to serve their teachers.

## Cold & Flu Season

As cold and flu season begins, please encourage your children to wash their hands frequently and keep their hands away from their eyes, nose, and mouth. If your child has a fever, keep them home from school. Please call the school and speak to either Nurse Janet or Nurse Liza and they will be able to guide you with your next steps if needed.

Also, please be sure your child is wearing the appropriate clothing to school and be sure they have a winter jacket to take outside for recess!

## Learning Is Cool

### After School Program is Underway!

Currently we have 25 students that are participating in our program. Students participate in the program Monday-Friday from 3:05 - 6:05 p.m. These students meet daily with our school staff to do fun activities, participate in virtual field trips, on-site guests, etc. In addition, students also receive additional lessons/homework help with their Reading/Math skills as well as exploring STEM related activities. If you are interested or have any questions about the program, please call our Site Coordinator, Mrs. Amy Gladman at 330-692-3075. Pictured below are some of the fun activities our students have been participating in.
