March 2023

Message from the Superintendent

Dear Rebel Nation,

As we turn the calendar to March we start to look forward to spring and end of year activities. Our spring sports are starting to take to the fields and our seniors are starting to make preparations for graduation.

In the coming weeks we will have testing in all of our buildings, be sure to watch for updates from your building principals for dates and times. It's important to make sure students are in attendance on these days.

In March we also turn our attention to the Performing Arts Center, as our students have been working very hard on the upcoming production of the "Little Mermaid". Be sure to purchase tickets on our website for this show coming up on March 17th, 18th and 19th: <https://www.locallevelvents.com/events/details/24513>

We are also busy making preparations for our 2023-24 school year. At our February board meeting our Board of Education voted to accept calendar dates for the 23/24 and 24/25 school year. Both of those approved calendars can be found on our website.

Crestview Elementary will be holding one more date for Kindergarten registration. If you have not yet signed up your child, please go to this link to fill out the pre-registration form: <http://forms.gle/3hXrzQuEs2BQjZ3Z8>, and plan to attend the Registration on Saturday, March 25th at the Elementary School. If you are unable to make this date, please contact Christy Hoopes at: choopes@crestviewlocal.k12.oh.us.

As of March 10, 2023 our services with QUICKMed Clinic located at the Elementary will come to a close. Student school physicals will still be free of charge at the QUICKMed Columbiana location until the end of May 2023. You can reach them at 330-482-0400.

And finally, you may start seeing some excavating equipment on the east side of our campus, as we start to clear space for construction of our new K-12 facility. Look for more updates to come as we near the start date for our new 185,000 square foot building!

Sincerely,

A handwritten signature in black ink that reads "Daniel C. Hill".

CRESTVIEW GOES RED FOR HEART MONTH

CMS STUDENT, MADELINE LONG, NAMED TRI-COUNTY 2023 TEEN OF IMPACT NOMINEE

Each year a select group of individuals across the Tri-County are nominated by their peers to become an American Heart Association Woman of Impact and Teen of Impact because of their passion and drive to make a difference in the community and raise awareness of women's cardiovascular health.

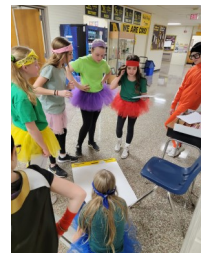

Beginning on National Wear Red Day, February 3, 2023, hundreds of Woman of Impact and Teen of Impact nominees nationwide embark on a 9-week journey to help transform the health of women. Each week, nominees, and their Impact Teams, made up of friends, family members and co-workers, participate in activities designed to create a culture of wellness and health equity. Activities may include educational events, learning and spreading the word about CPR, getting active, recruiting women to participate in research, and more. Nominees and their Impact Teams also raise critical funds for the Tri-County American Heart Association's Go Red for Women movement.

On April 6, 2023, the Woman of Impact nominee and Teen of Impact nominee whose team has the highest number of impact points—awarded through a combination of fundraising and mission impact activities - is named the Tri-County 2023 Woman of Impact Award Winner and Tri-County 2023 Teen of Impact Award Winner.

2023 HEART CHASE FUN!

Thank you to all those who supported our annual Heart Chase where we raised over \$1,300 for American Heart Association and had a great time!
