October 2023

Message from the Superintendent

Dear Rebel Nation,

It's hard to believe that we are already more than half way through our first nine weeks of the 2023-2024 school year. With that, I want to remind you of parent teacher conferences taking place on Thursday, October 12th. All students will be on a 2 hour early dismissal schedule, with conferences being held from 1:00 - 7:00 p.m. If you would still like to schedule a conference, please visit the website at www.crestviewrebels.org or call your building secretary for assistance. Just a reminder that there will be no classes held on Friday, October 13th due to staff in-service. The first nine weeks will end on Friday, October 20th, with report cards available on Friday, October 27th.

This year, our partners at Akron Children's Hospital will also be hosting a flu shot clinic for all students in grades K-12. These will be available from 3:00 - 6:00 p.m. on October 12th, during conferences. Please see our website for details and necessary forms that need to be filled out and returned by October 6th, if you wish for your student to participate.

I want to take the time to congratulate our staff on our latest state report card published by the Ohio Department of Education. Crestview Local Schools received a 4-star rating. A 4-star rating means that as a district we are "exceeding state standards." It's definitely a great time to be a Rebel!

We continue to work through the construction process with our architect team, our construction management team and the State of Ohio. I appreciate the participants that attended the community update on September 14th. We will continue to update our community as the plans are refined.

Sincerely,

Dan Hill, Superintendent
