NOTE:

Non-Traditional MSOT Tuition and Fees 2023-2024

- These are estimated costs for the entire program. Tuition, fees, and costs are subject to change and are updated yearly.
- *University general fee includes the following campus services:
 - MU Portal and Blackboard Learning Management System
 - Remote library resources
 - Center for Professional Development and Leadership
 - Student Success Center
 - IT student helpdesk
 - Campus Ministry
 - Shuttle and van service
 - Banks Student Center
 - Anderson Sports-Health Center
- On-campus parking \$150 per year for those who choose to have a car on campus.
- Estimated costs for textbooks may change, based on current course requirements.
- **Occupational therapy student fees include a student kit consisting of common clinical instruments (goniometers, pulse oximetry, stethoscope, blood pressure cuff, gait belt in a travel bag), classroom items/anatomy software, splinting supplies, exam prep materials, OTKE exam access, AOTA membership, electronic records software, fieldwork placement software, personal protective equipment, HIPAA and OSHA training
- Above costs do not include lodging requirements or travel costs for fieldwork education and on campus educational sessions. Students are required to make their own lodging and travel arrangements for these instructional periods. Costs may vary.
- For students entering with an Associates Degree, additional cost for undergraduate tuition will be required for core courses based on an individual review of the student's transcript.
- Students are required to have a laptop computer with camera and microphone throughout the program with access to reliable internet capabilities. These costs are not included in the above calculations.
- Students are required to have valid background and medical clearances completed in anticipation of OT 536 Level I Experience II and throughout the Level II Fieldwork Series of OT 537 & OT 542. Background and medical clearances need to be updated annually unless otherwise noted. Students may be required to obtain site-specific clearances and testing such as a specific background check, drug testing, titers, mask fit testing, and immunizations and may have additional fees associated with completing these items. The above items are based on data retrieved January, 2024 and subject to change. Costs associated with completing the medical clearance and testing are based on cash price for students if completed at the MU Health Center.
