## 2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2023-24 School Description and Mission Statement

### School Description

In 1891, the first school in Reedley was built and named Reedley Grammar School. In 1918, the school's name was changed to Washington Elementary. Washington Elementary School serves approximately 350 students in grades K-5 and included a staff of 15 teachers. In 2005, Washington added State Pre-School to their program which houses 40 preschool age students and received a 5 star status in 2014 and maintained a 5 star status in 2018. In 2018-19, Washington enrolled 165 students in an After-School Grant called ASES which we partner with Save the Children and the City of Reedley Parks and Recreation. That program, now without Save the Children, continues in the current year and is referred to as ELOP, serving approximately 160 students.

### School Mission Statement

Community, parents, staff, and students form a collaborative partnership in an effort to achieve the school's mission. The mission statement for Washington School is, "Believe to Achieve!" The school's goal is to pursue "excellence" through creating a positive and enriching academic environment, which provides successful learning opportunities for all.

### School Vision

Staff, parents, students, and community are linked in a collaborative and supportive system that nurtures students' academic, emotional and social development through exemplary teaching in a learning environment committed to excellence. It is the goal at Washington that every student be able to speak and write proficiently, regardless of subject matter by the time they leave here.

## About this School

### 2022-23 Student Enrollment by Grade Level

Grade Level	Number of Students

Homeless	0.3%
Migrant	2%
Socioeconomically Disadvantaged	91.3%
Students with Disabilities	5.2%

### A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

### 2020-21 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent

<b>Total Teaching Positions</b>	16.00	100.00	410.90	100.00	274759.10	100.00

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## 2021-22 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
<b>Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)</b>	16.00	100.00	348.80	80.05	234405.20	84.00

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21	2021-22
<b>Permits and Waivers</b>	0.00	0.00
<b>Misassignments</b>	0.00	0.00
<b>Vacant Positions</b>	0.00	0.00
<b>Total Teachers Without Credentials and Misassignments</b>	0.00	0.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

### Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
<b>Credentialed Teachers Authorized on a Permit or Waiver</b>	0.00	0.00
<b>Local Assignment Options</b>	0.00	0.00
<b>Total Out-of-Field Teachers</b>	0.00	0.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

### Class Assignments

Indicator	2020-21	2021-22
<b>Misassignments for English Learners</b> (a percentage of all the classes with English learners taught by teachers that are misassigned)	0	0
<b>No credential, permit or authorization to teach</b> (a percentage of all the classes taught by teachers with no record of an authorization to teach)	0	0

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

### 2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

A district textbook adoption committee is established for the purpose of textbook adoption. Each school site or grade level is represented on each textbook adoption committee. At Washington Elementary School there are sufficient textbooks and instructional materials for each of the core content areas. Each pupil, including English Learners, have access to district adopted texts, workbooks, or other supplemental instructional materials to use in class and to take home.

### School Facility Conditions and Planned Improvements

The district takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the KCUSD Business Office.

Below is more specific information on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Additional information about the condition of the school's facilities may be obtained by speaking with the school principal.

Washington Elementary School has 19 classrooms, a cafeteria, a library, and an administration building. The main campus was built in 1949. Additional classrooms were constructed in 1954. Additional relocatable classrooms were constructed in 1987 and 1990. The old library was remodeled into a cafeteria in 2020. Also, a new library was built in October of 2020. A new parking lot, located on the northwest side of campus was built during the 2021-22 school year. During the 2022-23 school year, the relocatable classrooms were demolished. Three new relocatable classrooms were placed adjacent both sides of the Library. A new storage facility was also constructed along with a covered pavilion next to the cafeteria. In October of 2023 construction began on a new administration building.

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

The Director of Maintenance, Custodial Supervisor, and the site principals work cooperatively with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

The district participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar for dollar basis to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23
<b>English Language Arts/Literacy</b> (grades 3-8 and 11)	43	40	47	49	47	46
<b>Mathematics</b> (grades 3-8 and 11)	32	38	34	36	33	34

## 2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## 2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. ## B. Pupil Outcomes

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

#### 2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2023-24 Opportunities for Parental Involvement

Parent involvement and communication are essential to our school success. Washington Elementary School continually strives to involve parents by exchanging information that helps parents understand and support school programs and by providing opportunities for parent participation in school activities.

There are numerous and varied opportunities for parent involvement. Our parent meetings are held on campus in the Library and Cafeteria. Parents attend school functions, participate in parent-teacher conferences, volunteer in classrooms, chaperone field trips, attend various workshops and assist with other school activities. Parents may also serve on advisory committees and leadership teams, including Parent Teacher Club (PTC), School Site Council (SSC), English Learner Advisory Committee (ELAC) and Parent Advisory Committee (Pre-school Parents - PAC). The PTC at Washington is very active, organizing numerous extracurricular functions and conducting fundraising for field trips. This school year, Washington held several Parent education meetings focused on educational topics such as Math, ELA, Technology, Reading Instruction and Testing.

Parents of English Learners are able to participate in Puente a Tecnologia, which is a chromebook check out for the home with internet access. This program will help parents and students acquire English.

Home and school communication is enhanced through weekly notices, monthly newsletters, parent/teacher conferences, the student/parent handbook, the school website, student report cards, direct phone calling system and other regular communication activities. Translation is regularly provided. In addition, parent education classes and workshops are offered regularly. We also use an app called "ParentSquare" which sends notices immediately to parents phones.

Parents who would like more information on how to become involved may contact Principal Greg Visser at (559) 305-7270.

## 2023-24 School Safety Plan

Safety of students and staff is a primary concern of Washington Elementary School. Before, during, and after school, the campus is monitored by assigned staff. All visitors must sign in at the office and wear appropriate identification while on campus. The comprehensive school safety plan is designed to assist in preparing for emergencies, managing emergency response efforts, and maintaining a safe school environment. The plan requires identification of security needs, development of prevention and intervention techniques, evaluation of physical facilities, and communication with staff and students. Components of the plan include: child abuse reporting procedures, procedures for teacher notification of dangerous pupils, disaster response procedures, procedures for safe ingress and egress from school, sexual harassment policies, and suspension and expulsion policies. The safety plan is reviewed annually, updated as needed, and fully compliant with federal and state regulations. The plan was last reviewed/updated on December 19th, 2023 and discussed with staff on the same day. An updated copy is available to the public at the school office. The school's disaster preparedness plan includes steps for ensuring the safety of students and staff during a disaster. Emergency preparedness drills are conducted regularly and the school staff is appropriately trained.

## Professional Development

Professional development at Washington Elementary School is designed to meet the individual needs of teachers as well as broader school concerns. Professional development may take the form of trainings, coaching, and peer reviews. Professional Development also occurs during Wednesday afternoons. During the past three years, our teachers were trained in Kagan Strategies, Thinking Maps, Write From the Beginning, Amplify Science, Illuminate, Ed Caliber/Lessoneer, and Literacy Workshops. Buy Back days were focused on strengthening our school's grade level collaborative teams. Teachers were given time and support in establishing an agreed upon Guaranteed Viable Curriculum. Our Instructional staff also spent time focusing Social and Emotional Learning. The staff became more familiar with and instructed using the Second Step curriculum this school year.

Staff and grade level meetings also provide regular opportunities for professional collaboration. The collaboration meetings take place Wednesday afternoons. The instructional focus for the 2023-24 school year is the collaborative team process. Grade level teams will meet weekly to focus on creating Unit Plans tied to Essential Standards in both ELA and Math. These teams will also spend time using data analysis to reflect on student learning and best teaching practices. During this weekly process teachers identified learning progressions, instructional strategies and created aligned common formative assessments. They then used student assessment data to plan further instruction and intervention for students that needed it.

An Instructional Leadership team meets on a monthly basis with the purpose of leading, guiding, inspiring and supporting the work of continuous improvement at Washington.

This table displays the number of school days dedicated to staff development and continuous improvement.
