2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

School Description:

On August 16, 2004, Thomas Law Reed School opened its doors for learning as the first new school built in Reedley in over 41 years. TL Reed is a K-8 school located in the predominantly residential, north central section of town. The 550 students live within a three quarter mile radius of the Thomas Law Reed campus. Students walk, are transported by a parent, or ride a bicycle to school. The Thomas Law Reed staff consists of 2 administrators, 22 self-contained classroom teachers, 8 certificated support staff, and 22 classified staff members. At Thomas Law Reed School, 31% of the total student K-8 population are English Learners (includes RFEP students) and 81% of the students qualify for Free & Reduced Lunch.

School Mission Statement:

Thomas Law Reed School exists to provide a safe and supportive environment that ensures the highest levels of learning for all students.

Vision:

It is our Vision that we will work collaboratively to provide the necessary support, tools, and resources to achieve the highest levels of learning for all students.

Goal: All students will grow one performance band and advanced students will grow in scaled score annually. All English Learners will grow one ELPAC band annually.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	34.6	3.8
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	9.2	0

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

A district textbook adoption committee is established for the process of textbook adoption. Each school site or grade level is represented on each textbook adoption committee. At TL Reed there are sufficient textbooks and instructional materials for each of the core content areas. Each pupil, including English Learners, have access to district adopted texts, workbooks, or other supplemental instructional materials to use in class and to take home.

School Facility Conditions and Planned Improvements

The district expends great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the KCUSD Business Office.

Below is more specific information on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Additional information about the condition of the school's facilities may be obtained by speaking with the school principal.

T. L. Reed School has 27 classrooms, a gymnasium/cafeteria, a library and an administration building. The main campus was built in 2004. In the fall of 2019, Solar panels were installed in west parking and over a portion of the playground area. In the spring of 2023, a new outdoor learning pavilion was built to support outdoor learning opportunities.

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

The Director of Maintenance, Custodial Supervisor, and the site principals work cooperatively with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

School Facility Conditions and Planned Improvements

The district participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar for dollar basis to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus

the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Parent involvement and communication are essential to our school success. T.L. Reed Elementary School continually strives to involve parents by exchanging information that helps parents understand and support school programs and by providing opportunities for parent participation in school activities.

TL Reed provides numerous and varied opportunities for parent involvement. Parents attend school functions and parent visitation days, participate in parent-teacher conferences, volunteer in classrooms, accompany their child on field trips, and assist with bi-annual book fairs and fundraisers. Parents may also serve on advisory committees and leadership teams, including the Parent Teacher Club (PTC), English Learners Advisory Council (ELAC), and School Site Council (SSC).

Home and school communication is enhanced through weekly notices, monthly newsletters, parent/teacher conferences, the student/parent handbook, the school website, student report cards, the marquee, Parentsquare, and other regular communication activities. Parent communication is routinely translated into Spanish.

Parents who would like more information on how to become involved may contact Principal Rick McCollum at (559) 305-7300.

2023-24 School Safety Plan

The comprehensive school safety plan is designed to assist in preparing for emergencies, managing emergency response efforts, and maintaining a safe school environment. The plan requires identification of security needs, development of prevention and intervention techniques, evaluation of physical facilities, and communication with staff and students. Components of the plan include: child abuse reporting procedures, procedures for teacher notification of dangerous pupils, disaster response procedures, procedures for safe ingress and egress from school, sexual harassment policies, and suspension and expulsion policies. The safety plan is reviewed annually, updated as needed, and fully compliant with federal and state regulations. The plan was last reviewed/updated on 8/7/23 and discussed with staff on 8/15/23. An updated copy is available to the public at the school office.

The school's disaster preparedness plan includes steps for ensuring the safety of students and staff during a disaster. Emergency preparedness drills are conducted monthly and the school staff is appropriately trained.

Professional Development

Professional development at T.L. Reed Elementary School is designed to meet the individual needs of teachers as well as broader school concerns. Professional development may take the form of trainings, coaching, peer observation, or constructive self-reflection and are consistent with our school vision and goals. Principal, teachers, instructional aides, and other support personnel may take part in these activities.

T.L. Reed Elementary School, as well as the entire KCUSD instructional staff, has focused on implementing Common Core Standards. Professional Development supports the TL Reed Instructional Outcome goal of; TL Reed students will be able to effectively communicate evidence based responses or concepts through speaking and writing. For the 2023-24 school year Professional Development has also taken place on using i-Ready assessment data to provide Intervention and enrichment support for all students. TL Reed continues with Professional Learning with a focus on enhancing the use of Professional Learning Communities. In 2019 TL Reed was named a Model PLC School by Solution Tree.

T. L. Reed also continues to engage in Professional Learning Communities (PLCs), assessment and data collection, and effective teaching strategies, with continuous monitoring of our significant subgroups: Students With Disabilities, English Language Learners, Hispanic, and Socio-economically Disadvantaged. To supplement student learning, the T.L. Reed staff received training on ways to use "Thinking Maps" as an instructional strategy. Multiple staff members and administrators have attended Kagan Trainings to increase student engagement in the classroom. Staff, grade level, and vertical team meetings also provide regular opportunities for professional collaboration, as do district data analysis and interpretation committee meetings. Teachers may also attend conferences and workshops. Early release Wednesdays provide time for quality professional development via Professional Learning Communities.
