

## **Fiscal Management Goals/Priority Objectives**

Mapleton Public Schools (the “District”) recognizes that money and money management comprise the foundational support of the whole school program. To make that support as effective as possible, the District has set the following goals and objectives for fiscal management:

1. Encourage advance planning through the best possible budget procedures;
2. Explore all practical and legal sources of revenue;
3. Study and guide the expenditure of funds so as to achieve the greatest educational returns;
4. Require maximum efficiency in accounting and reporting procedures;
5. Provide adequate resources to support student achievement; and
6. Strive to maintain a fund balance of no less than 10% of the general fund operating revenues.

As trustee of community, State and Federal funds allocated for use in local education, the Superintendent has the responsibility to protect the funds and use them wisely.
