Principal's Message

As you probably know (definitely know if you have come through our parking lot today), we are currently hosting the 26th Annual Top of the Rockies Wrestling tournament at Centaurus High School. I would like to thank you for your patience and understanding, as we know that a tournament of this size has impacts on our school and community. Please know that this tournament is one of the premier tournaments in our state and region, and really is a rich part of Centaurus history. Providing positive opportunities for our student athletes, and student athletes across the state, is something that we are rightfully proud of at Centaurus. I would like to thank all of our coaches, volunteers, and parents who have helped to organize and run this great event.

Principal

Celebrating Centaurus Seniors

Messages for Class of 2024

Seniors Graduation Date:

Saturday, May 18th at 4:00pm - CU Events Center

After Prom Hall of Fame Posters:

The Senior Hall of Fame at Centaurus Safe Night After Prom (CSNAP) is a highlight for many Seniors and their families. Parents and guardians of graduating seniors create a collage poster of their child over the years highlighting their life events. Families are encouraged to view the Senior Hall of Fame during the CSNAP Open House, which occurs 8p-9:30p on April 12th at the Lafayette YMCA. The posters are transferred to CHS for display and are then collected by your student for use at family graduation celebrations.

Instructions

To successfully hang hundreds of posters we ask you follow specific Senior Poster guidelines noted [here](#). The DEADLINE for dropping off the posters at the school is April 2nd. Be aware that posters must be laminated in advance of drop off and it typically takes a business a couple of days for the lamination process (the poster is not laminated while you wait at the counter). We recommended using business sponsor Morrell

Printing for lamination or other local print vendors. Lamination allows us to paper punch holes for poster suspension.

Poster Building Workshop

A workshop takes place at CHS March 9th from 10-12 for parents needing inspiration or creative ideas, and others who value financial support for the poster supplies. Be mindful, you need to bring photos of your student to the workshop. We suggest you print a special set of photos for the poster, not using originals.
