### Principal's Message

Centaurus will be holding our annual transition night on Thursday, February 1st, from 6:30 to 8:00 pm. This night is primarily focused on our incoming 9th grade students and parents, but all students who will be new to Centaurus next year are welcome to attend. In addition to welcoming the Centaurus Class of 2028 for the first time, we will be providing our future students and families with information around course selection, course planning, and program offerings at Centaurus High School. We will also have representatives from our athletics teams, activities, and clubs so that students can find out not only what we offer, but also specifics around registration and what steps they need to take this spring and summer to be involved. If you have a rising 9th grader in your family, we hope to see you at this event. Please feel free to pass this information to any families you know who will have students new to Centaurus next year.

Daniel Ryan  
Principal
