2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Ohlone Elementary School offers a unique approach to education and is a choice school, rather than a neighborhood school. Students are admitted to Ohlone via an equal access lottery. Most families attend an orientation prior to making a commitment to Ohlone's guiding principles and practices.

Ohlone's CORE VALUES form the basis of its educational and community structure:

- Trusting and Respecting Each Individual
- Developmental Approach
- Growth and Assessment
- Meaningful, Relevant Curriculum
- Multi-dimensional Learning
- Cooperation and Collaboration
- Student-Teacher-Parent Partnership

The Goals of an Ohlone Education guide the daily work of staff and faculty in the areas of:

- Self-Awareness
- Independent Thinking
- Time Management
- Democratic Values
- Acceptance and Compassion
- Citizenship and Community
- Lifelong Learning
- Physical Awareness
- Risk Taking/Creativity

Ohlone students experience a developmental and multi-dimensional approach to teaching and learning. Students engage in authentic ways with the curriculum and learn through relevant real-world experiences and projects. Students are encouraged to think independently, aspire to a growth mindset, and to take responsibility for their learning. Students see themselves as life-long learners who are comfortable with making mistakes.

2023-24 School Description and Mission Statement

Social-emotional learning is at the heart of instruction at Ohlone. Kindness, respect, compassion, resiliency, and environmental and global citizenship are among many of our goals. We value mutual respect, trust, and honesty. In our multiage setting, students learn to work with their peers across a developmental continuum that provides opportunities for differentiation in meeting students' individual and developmental needs. Each student is appreciated as an individual with a unique set of gifts. Ohlone represents an inclusive community that welcomes and supports all learners.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

2020-21 Teacher Preparation and Placement

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

School Facility Conditions and Planned Improvements

Safety, cleanliness, and adequacy of school facilities. EC Sec. 33126 (b)(9) Safe, orderly schools are the highest priority of the Palo Alto Unified School District. Schools maintain and enforce a policy of required registration and identification at the main office. All visitors must register and receive approval before visiting any classroom or activity during the school day. District personnel, contractors and maintenance crews are required to wear identification badges while working on any campus throughout the district. The District has established a Preventive Maintenance Team that will visits each campus on an assigned schedule repairing and maintaining facilities in readiness conducive to teaching and learning. In addition, the District provides a work order system for ongoing maintenance that tracks requests, supplies and assigned time spent on any routine repair. The MOT Department monitors the cleaning of all sites visits both during the day as well as the evening, providing custodians with support and emphasizing the importance of providing and maintaining a clean facility for learning. Each school has a Safety Plan and clearly stated expectations for student behavior. Safety Plans are updated and reviewed annually. The District has a strictly enforced anti-discrimination policy that prohibits harassment of students or staff based upon race, gender, disability, religion or sexual orientation. The School Board maintains a zero tolerance policy for violent or threatening behaviors, and is committed to prevention of harmful behaviors. Students are provided with opportunities to build positive relationships to help create a more supportive school community.

The Ohlone Elementary School main campus was originally constructed in 1949. The buildings on campus have been renovated and added to over the years with additional rooms, multi-purpose and office added in 1962. In 2004 a campus modernization included conversion of the library to classrooms, conversion and construction of a new library space within an existing building and construction of a new wing with six classrooms.. In 2011, a new two-story classroom wing with 12 new classrooms was built in the rear of the campus.

The fire alarm system on campus is scheduled to be replaced with a new Gamewell system during the summer of 2024. Another future project will replace the existing heating systems with new air conditioning units for the existing classrooms.

Future plans call for a new Multipurpose building to replace the existing facility to include a new Multipurpose Room, Kitchen, Servery and Enrichment Lab for Music. There is currently no funding available for this project.

As of October 2023, none of the emergency facility needs specified in Education Code Section 17592.72 (1. Gas leaks; 2. Non-functioning heating, ventilation, fire sprinklers, or air-conditioning systems; 3. Electrical power failure; 4. Major sewer stoppage; 5. Major pest or vermin infestation; 6. Broken windows or exterior doors or gates that will not lock and pose a security risk; 7. Abatement of hazardous materials previously undiscovered that poses an immediate threat to pupil or staff; and 8. Structural damage creating a hazardous or uninhabitable condition) are required at this school site. A copy of the Interim Evaluation Instrument used to verify Education Code Section 17592.72 deficiencies is on file in the Maintenance Office for review. The Ohlone Elementary School campus is safe, well maintained and clean, with multiple custodial staff assigned for 20 hours daily.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	79	84	78	78	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Parents play an integral part in the Ohlone learning community. Parents volunteer in classrooms and on campus, coordinate activities and special events, and work as officers and chairs for committees, such as School Site Council, Core Values Committee, Farm Council, PTA, and PiE. We count on parents to take care of our farm two times per day and through monthly farm work days and other volunteer opportunities, including accompanying classes out for farm science. Parents support and maintain Ohlone traditions, such as, Farmers' Market, Harvest Festival, Pancake Breakfast, Core Values Committee Nights, Back-to-School Picnic, Spring Fling Picnic, and STEM Fair. In addition to helping in their children's classrooms, parents help on campus as lunch supervisors. They also organize and lead noontime activities. The talents of parents and community members support and enrich school programs.

For information on opportunities about parent involvement at Ohlone, please contact Rowena Chiu at: rowena.chiu@gmail.com. Information is also available on the Ohlone PTA website: <https://www.ohlone.paloaltopta.org/>.

2023-24 School Safety Plan

Ohlone's School Safety Plan was last updated in May 2023 and will be reviewed, discussed, and updated during School Site Council Meetings in the 2023-24 school year. The revised Safety Plan will be completed by March 2024. Until that time, we will follow the safety plan that is currently in place and approved, which is described below.

GOAL 1

Students will independently solve problems with peers with positive communication and empathy.

Steps:

Training for all staff and yard duty volunteers to support the use of the Peace Path and Peace Table.

Training for student Peacekeepers to guide peers through Peace Path and use of Peace Tables. School assemblies and explicit lessons to teach problem solving with practice opportunities.

Parent education through events and school/class newsletters.

GOAL 2

Improve safety during morning drop off and afternoon pick up.

Steps:

Clear and continuous communication of procedures and systems to support safety at drop off/pick up.

Events (e.g. Walk and Roll Week) to bring attention to this matter, to highlight safety and to educate the community.

Fiscal Year 2022-23 Types of Services Funded

The District relies on federal categorical funding under Title I, Title II, Title III, and Title IV of the Every Student Succeeds Act (ESSA). The way Palo Alto Unified uses categorical funds is to assist our school sites in closing the educational gap of special populations and providing resources, professional development, and materials to improve instruction. One way these funds are used is to employ reading specialists, instructional aides, primary language tutors, and English learner (EL) specialists. Funds are also used to support district wide professional learning in curriculum and EL support. Supplementary services, such as after-school tutoring for students, a summer bridge course for rising ninth-graders, and engagement opportunities for parents, also draw from these funds. For a more detailed analysis of services funded, refer to the Local Control and Accountability Plan (LCAP) webpage, <https://www.pausd.org/about-us/lcap>. In addition, each School Site Council (SSC) annually reviews and updates their site's School Improvement Plan (SIP). The SIP is a plan of action to improve student academic performance by coordinating all educational services and resources. With input from the staff and community, the SSC is the decision-making body responsible for establishing SIP goals through the review of site-specific student achievement and other data. For school sites with 21 or more English learners, a site level English Language Advisory Committee (ELAC) will advise the principal and staff in the development of a site plan for English learners and submitting the plan to the SSC for consideration of inclusion in the SIP. The SIP includes a budget for proposed expenditures to support the SIP goals. SIPs are presented to the PAUSD Board annually and are available on each school site's webpage (<https://www.pausd.org/schools>) under the "About Us/School Reports" section.
