

# Early Adventures

## Full-Day Care with Preschool

### Component

**CCAP Accepted!**

Early Adventures is the full-day care option of Robbinsdale Area Schools with a preschool component. By combining high quality child care with the district's preschool curriculum, this program offers an opportunity for students to prepare for Kindergarten in a safe, nurturing setting with adults especially trained to work with preschool students.

Staff with a combination of education and experience especially suited to preschool aged children will lead curriculum focused on social, emotional, physical and creative development skills throughout the day. A district teacher will provide students with a preschool experience centered around language and literacy, as well as mathematical thinking each day. A formal assessment of each student will be conducted to ensure the needs of each child are being met.

## Ages: Pre-K only

Early Adventures is open to any student who will attend Kindergarten the following year, not limited to Robbinsdale Area Schools. Students are highly encouraged to be toilet trained before beginning the program. Students who have completed Early Adventures are eligible to register for Summer Adventure Club once they turn 5 years old.

## Locations

Early Adventures is located at FAIR School at Pilgrim Lane and Neill Elementary. Students have access to many amenities including a playground specifically designed for school age children, a gym, and a library.
