## 2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2023-24 School Description and Mission Statement

The Havens School community is located in Piedmont, a city of about 11,000 residents, in the hills above the San Francisco Bay Area. The original school opened in 1901 and has continuously been modernized and renovated to accommodate around 450 students. The school is one of three elementary schools in the Piedmont Unified School District.

The faculty of Havens Elementary School is firm in their resolve to bring a world class education to our students. Classroom teachers, teacher specialists in music, art, library, reading, math, technology and special education collaborate to integrate curriculum in order to best meet the academic, social and emotional needs of our students. We strive to cultivate critical thinking, social responsibility and collaboration in students and faculty alike.

Our support staff of custodians, office staff, para educators and administrators work with students, families and staff to maintain a supportive learning environment for all students so that they can realize their potential.

We redefined our mission and values in Fall 2018 and recommitted to them in Fall 2022.

Everyone at Havens Belongs.

We are Caring.

We are Courageous.

We have Integrity.

## About this School

### 2022-23 Student Enrollment by Grade Level

Grade Level	Number of Students
Kindergarten	100
Grade 1	60
Grade 2	70
Grade 3	60
Grade 4	72
Grade 5	77
Total Enrollment	439

### 2022-23 Student Enrollment by Student Group

Socioeconomically Disadvantaged	1.4%
Students with Disabilities	7.7%

## A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

## 2020-21 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
<b>Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)</b>	27.60	90.82	136.60	88.91	228366.10	83.12

<b>Total Teaching Positions</b>	30.40	100.00	153.60	100.00	274759.10	100.00

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## 2021-22 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
<b>Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)</b>	26.30	90.24	139.00	91.15	234405.20	84.00

<b>Total Teaching Positions</b>	29.20	100.00	152.50	100.00	279044.80	100.00

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21	2021-22
Permits and Waivers	0.00	0.00
Misassignments	1.00	0.00
Vacant Positions	0.00	0.00
<b>Total Teachers Without Credentials and Misassignments</b>	1.00	0.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

## Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	0.00	0.00
Local Assignment Options	0.80	1.60
<b>Total Out-of-Field Teachers</b>	0.80	1.60

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

## Class Assignments

Indicator	2020-21	2021-22
<b>Misassignments for English Learners</b> (a percentage of all the classes with English learners taught by teachers that are misassigned)	0	0
<b>No credential, permit or authorization to teach</b> (a percentage of all the classes taught by teachers with no record of an authorization to teach)	1.1	0

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

## 2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Piedmont Unified School District sets a high priority upon ensuring that sufficient textbooks and instructional materials are available to support the school's instructional program. Piedmont Unified School district held a Public Hearing on September 27, 2023 and determined that each school in the District has sufficient and good quality textbooks and instructional materials. All students, including English Learners, are given their own individual standard aligned textbooks in core subjects. All textbooks and instructional materials used within the District are aligned with the California State Content Standards and Frameworks.

For 2023-24, all textbooks and instructional materials at Havens Elementary School were in adequate supply and fair to excellent condition. 100% of students in each core subject area possessed the necessary textbooks and instructional materials, including the deployment of Google Chromebooks for all students in grades 4 and 5.

Piedmont School District follows the State Board of Education's recommended adoption cycle for core content materials. Teachers in the District have the opportunity to review the textbooks and provide feedback. Recommendations for final adoption are submitted to the Board of Education for approval.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23
<b>English Language Arts/Literacy</b> (grades 3-8 and 11)	83	85	87	86	47	46
<b>Mathematics</b> (grades 3-8 and 11)	85	87	81	82	33	34

## 2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## 2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. ## B. Pupil Outcomes

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

#### 2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2023-24 Opportunities for Parental Involvement

Parents and the community are integral to the educational program at Havens School providing support through volunteering, fundraising and input on school decisions.

There are a variety of committees, including School Site Council and the school safety committee, on which we invite parent membership. Parents are invited to volunteer in classrooms regularly in grades K-1 and occasionally in grades 2-5. Additionally we rely on parent volunteers to support library and art classes.

Havens also hosts a back to school night event and an open house event each year during the evening. Parent education and relationship building opportunities are provided through parent community circles and evening events focused on specific topics related to supporting elementary aged children.

Many volunteer opportunities are offered in coordination with the Havens Parent Club, other school support groups, and the Piedmont Education Foundation. Numerous programs and activities are enriched by the generous contributions made by the Havens Parents Club, School Parcel Taxes, and Bond Measures, Piedmont Educational Foundation and other parent support groups. ## 2023-24 School Safety Plan

The Comprehensive School Safety Plan provides each student a safe physical environment by providing well-maintained buildings, a safe campus and safe ingress and egress to and from school. The Principal, faculty and staff provide campus security. The safety plan address emergency preparedness through well communicated plans, regularly scheduled drills, and guidelines for student behavior that are consistently monitored and reinforced. There are monthly fire drills, in addition to shelter in place, lockdown/reverse lockdown, and earthquake drills which all occur during the first half of the year. There is also a trischool safety committee that reviews and updates the safety plan each year.

In order to create a school environment that is a safe, kind, respectful place for learning, our entire school community utilizes Restorative Justice and the Second Step curriculum.

The School Safety Plan was approved by the school board on 2/8/2023. It was last reviewed with staff 10/10/2023.

## Fiscal Year 2022-23 Types of Services Funded

Through the support of the district administration and the cooperation and efforts of the special education and general education staff, children with exceptional and special needs are receiving appropriate educational services. All students with special needs are placed into an appropriate educational setting and receive special support either directly in the general education classroom or in a special education classroom. Students qualifying for special education services have their Individual Education Programs (IEP) monitored by IEP Teams composed of all legally required team members. Parents of special education students are encouraged to participate fully in developing their child's individual educational plan.

The home language survey is used to determine the primary language for each student in the district. Students with a language other than English are assessed to determine their English language proficiency. If appropriate, students are provided instruction in English language development (ELD). Students with the greatest need also receive additional ELD support through Reading Intervention. The district and school staff monitor students' ELD progress throughout the school year.

## Professional Development

PUSD staff members build their knowledge of curriculum and their repertoire of instructional strategies by participating in various types of professional learning: local and national conferences, on and off-site workshops, coaching cycles, and as members of professional learning communities.

Beginning in 2018-2019 we began a model where the district, site, and teachers each determined the content of one of the three days. This year the district focused on vertical alignment, operational excellence, and engagement. Teachers have selected a range of topics from literacy to classroom management.

New teachers participate in a full day professional development orientation and may be assigned a mentor as part of the Teacher Induction Program (TIP) or with Teachers Engaged in Active Mentoring (TEAM).

This table displays the number of school days dedicated to staff development and continuous improvement.
