

NOTICE

CONCERNING PREQUALIFICATION OF TRADE SERVICES FOR SMALL PROJECTS

Jefferson County School District R-1 is soliciting applications from building, construction, structural, installation, and maintenance trades for inclusion in the District's prequalified trade services list, which is called the "Small Project Pre-Qual List" or "List."

The List serves as the District's primary directory for soliciting estimates and quotes for smaller facilities and maintenance projects. The District regularly contracts for services in many **BUILDING, CONSTRUCTION, MAINTENANCE, INSTALLATION, AND TRADE CATEGORIES**, such as:

Asbestos Abatement	Electrical	Playground Installation
Asphalt Repairs	Fencing	Plumbing
Bleacher Installation	Flooring	Refrigeration/Chillers
Boilers	General Contractors	Roofing
Cabling	Grease Trap Pumping	SCADA Contractors
Carpentry	Gym Floor Finishing	Scoreboards
Caulking	HVAC Coil & Duct Cleaning	Shed Construction
Commercial Overhead Door	HVAC Mechanical	Stage Lighting & Rigging
Concrete Installation & Repair	Landscape & Irrigation	Tennis Courts & Athletic Fields
Crane & Hauling	Marquees	Utilities Piping
Demolition	Masonry	Utilities Video & Jet Work
Doors (Wood and Metal)	Modular Building	Welding
Drapery/Window Covering/Blinds	Muralists	Window Replacement
	Painting	

Companies and trades persons interested in having their names added to the List will complete the application and follow the pre-qualification process described in the attached **"Application for Prequalification of Trade Services"** and **"Agreement for Prequalification of Trade Services."** The District will review each application and determine which applicants will pre-qualify for the List. For more information the benefits of being on the Small Project Pre-Qual List and the pre-qualification process, please see the attached materials.
