Gordon H. Beatty Middle School
2022-2023 School Accountability Report Card
(Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview	By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.
	- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
	- For more information about the LCFF or the LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
	- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.
DataQuest	DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).
California School Dashboard	The California School Dashboard (Dashboard) https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access	Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Principal's Message
Welcome to Gordon H. Beatty Middle School, home of the Broncos. We wish to share our annual School Accountability Report Card, which provides valuable information about our school's instructional programs, academic achievement, classroom materials, school safety, facilities, and staff.

Our focus is to ensure that we provide our scholars with the most rigorous curriculum that engages their thinking while offering support as they navigate through their middle school years. At Beatty, one of our goals is to understand the importance of balancing a challenging academic program that addresses our scholars' social, emotional, and self-esteem needs. As a middle-school program, we are extremely committed to implementing programs that afford children the opportunity to grow academically, socially, emotionally, behaviorally, morally, and ethically. In addition, we want to prepare our scholars to be confident, active citizens who are self-directed life-long learners. We hope our parents and guardians will join us in supporting our scholars. Your participation is vital as we collaborate to make your child's learning experience successful. For this reason, we ask that you join us in having conversations with your child that address learning, dedication, studying, and being active participants. You are also encouraged to remain involved in your child's education until they graduate high school.

We are proud of our diverse community of learners who represent varied economic, language, and cultural backgrounds. To support the learning of all students, Gordon H. Beatty Middle School implements tiered-level interventions to provide Academic, Social, and Behavior Support. A comprehensive Positive Behavior Intervention Support (PBIS) is implemented to support student behavior. All students receive the appropriate intervention to support, strengthen, and extend individual student achievement. The Gordon H. Beatty Middle School staff takes pride in ensuring the success of all students through setting high standards and providing a rigorous curriculum and interventions that meet the needs of the whole child. At Gordon H. Beatty

2023-24 School Description and Mission Statement

Middle School, staff and parents work together to create a learning environment that promotes academic and social development, teaches responsibility and pride, and models learning as a lifelong adventure. At Gordon H. Beatty Middle School, our mission is to "Educate, Motivate, and Inspire all students to achieve academic success and become productive global citizens."

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

On Monday, September 11, 2023, the Buena Park School District's Governing Board held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Governing Board approved Resolution #22-11: Pupil Textbook and Instructional Material Compliance 2023-2024, which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students in the district, including English learners, to the extent that each pupil has a textbook or instructional materials or both to use in class and to take home; and (2) that sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in English/language arts, math, science, and history-social science.

All textbooks and support materials are selected from the state's list of approved materials and adopted by the State Board of Education. Materials approved for use are reviewed, and a recommendation is made to the Governing Board by a selection committee composed of teachers, administrators, and parents. All recommended materials are available for parent examination at the district office prior to adoption. The following information shows the currency and availability of the textbooks and other instructional materials used at the school as of September 2023.

School Facility Conditions and Planned Improvements

The custodian inspects facilities every morning before school begins for safety hazards or other conditions that need attention before students and staff enter the grounds. One full-time day custodian and two full-time evening custodians are assigned to Gordon H. Beatty Middle School. The day custodian is responsible for the following:

- Classroom cleaning
- Cafeteria/kitchen setup and cleanup
- Restroom cleaning
- Main office cleaning
- Event set up

Restrooms are checked throughout the day for cleanliness and subsequently cleaned as needed.

Evening custodians are responsible for:

- Classroom cleaning
- Restroom cleaning
- Cafeteria cleaning
- Main office cleaning

The principal communicates with custodial staff daily concerning maintenance and school safety issues. All classrooms, restrooms, and common areas are sanitized daily using peroxide-based cleaning agents and electrostatic sprayers as needed. Special custodial cleaning crews are also utilized to immediately sanitize any areas on campus that had students or staff test positive for COVID-19. Additionally, all staff receive (Healthy School Act Required Annual Training). This training then gives each person the legal ability to personally use the TRU-SHOT disinfectant handheld sprayers in their work areas for added protection.

Facilities Inspection
The district's maintenance department inspects Gordon H. Beatty Middle School annually by Education Code §17592.72(c)(1). Gordon H. Beatty Middle School uses a site inspection survey to identify unsafe conditions and facility improvement needs. The most recent school inspection took place on November 21, 2023. Deficiencies are noted in the school inspection survey and corrected in a timely manner by the district's maintenance department. During the fiscal year 2023-2024, all restrooms will be fully functional and available for student use. The district makes great efforts to ensure that all schools are clean, safe, and functional through proper facility maintenance and campus supervision. Gordon H. Beatty Middle School's original facilities were built in 1966; ongoing maintenance and campus improvements ensure facilities remain up-to-date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. School and district staff use a work order process to communicate non-routine maintenance requests. Emergency repairs are given the highest priority. In the last 12 months, the following improvements have been completed:

- Remodel portables 14,15,16, with office added in 16, and demo of the overhead walkway behind the main office. Install locker room training equipment and convert rest room for special ed use. Cal Shape A/C unit's inspection and repair completed. The water main and new backflow were replaced. Install padding around the solar pillars completed. New wrought iron

fencing installed. Remodel of Library and new music room added. The new A/C control system in the upper building is completed. Replacement of the A/C unit in K-7. Added storage containers. Asphalt repair on the side driveway entrance and office in K-6.

- Annual Preventive Maintenance includes staff ID badges, air conditioning repairs & filter replacements with Merv 13 rated filters, test fire alarm system, service fire extinguishers, service backflow devices, trim trees, deep clean campus, replace basketball nets, paint front parking lot curbs.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments
(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	35	37	30	33	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2023-24 School Safety Plan

The Comprehensive School Site Safety Plan was developed for Gordon H. Beatty Middle School in collaboration with local agencies and the District Office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most recent school safety plan was reviewed, updated, and discussed with school staff in Fall, 2023. A new version of the School Safety Plan will be completed and reviewed in 2024.

Professional Development

Over the past three years, the Buena Park School District's faculty's professional learning has aligned with the California State Content Standards and Frameworks, Multi-Tiered System of Support (MTSS), and Beatty Middle School's Plan for Student Achievement. At the District level, a team of administrators specializing in curriculum and instruction identifies teaching and learning strengths and specific areas of need. Using site surveys combined with data analysis from state assessments and District benchmark tests, a district-wide focus on increasing academic proficiency levels for all students is planned.

On-site Professional Development: Teachers are provided professional development opportunities in instructional strategies, assessments, and curriculum planning. During the year, time is devoted to data analysis and planning for differentiated instruction and intervention. Site professional development is mirrored with the district plan for instruction and assessment and is designed to meet the specific needs of Beatty Middle School students.

District Professional Development: The school district provides teachers with ongoing professional development to advance content knowledge, instructional expertise, and collaborative planning. Training to support teachers with implementing district-wide initiatives, including Common Core State Standards, new curriculum and units of study, assessment development, and establishing Professional Learning Communities. Teachers are given opportunities to develop both the art of teaching and instructional leadership skills by attending ongoing training and coaching led by OCDE (Orange County Department of Education) consultants in CGI (Cognitively Guided Instruction), literacy consultants, ELD (English Language Development) consultants, and the District TOSA.

Beatty Middle School staff participated in the following professional learning activities over the past three school years:
- Common Core State Standards
- Writing Workshop Strategies
- Balanced Literacy
- Assessment and data analysis
- Reading and Writing Workshop
- Mathspace and CGI training
- Academic discourse and student engagement using AVID strategies
- Next Generation Science Standards (NGSS) instructional shifts, curriculum and resources
- STEM practices and planning
- History-Social Science standards, resources, and instructional best practices
- English Language Development (ELD) instructional practices and assessment
- Designated English Language Development (D-ELD) training in instructional practices and assessment
- Innovative integrated technology
