2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Principal's Message

I welcome you to Charles G. Emery Elementary School's Annual School Accountability Report Card. Per Proposition 98, every school in California must issue an annual School Accountability Report Card that fulfills state and federal disclosure requirements. Parents will find valuable information about our academic achievement, professional staff, curricular programs, instructional materials, safety procedures, classroom environment, and condition of facilities.

Charles G. Emery Elementary School provides a rigorous and caring environment where students are actively involved in learning, as well as positive values. All students receive a standards-based, challenging curriculum from dedicated professional staff. We are committed to providing a safe learning environment that promotes academics, social development, and acts of kindness. We strive to inspire students to value and apply their learning to their lives. Furthermore, we take great pride in offering exceptional programs, such as our Gifted and Talented Education (GATE) initiative and STEAM experiences. Here at Emery, we have self-contained GATE classrooms led by certified GATE Teachers. This program represents an extraordinary opportunity for our gifted students to thrive in an enriched educational setting guided by expert educators. In addition to our core science lessons, students experience STEAM activities that capture the curiosity and creativity of each student.

Parent involvement is highly encouraged, and we welcome input that supports our school community. Numerous opportunities are available for parents to participate in committees and school events and serve as classroom volunteers. Together, through our hard work, our students will be challenged to reach their maximum potential.

Vision Statement:

Emery students will be inspired to be responsible for their learning and become great thinkers, scholars, and citizens.

Mission Statement

We, the members of the Charles G. Emery School community and the Buena Park School District community, are dedicated to providing all students with the educational, social, and technological skills needed to experience and contribute to the world around them successfully. We will engage parents and community members as full partners to help our children develop the ability to work with others to make responsible decisions and continue to learn and grow throughout their lives. Building on our children's talents, our small, diverse community will celebrate each child's growth in a safe, healthy, and information-rich environment.

2023-24 School Description and Mission Statement

School Profile

Charles G. Emery Elementary School is located in the central region of Buena Park and serves preschool through fifth-grade students. We are proud of our diverse learning community of multilingual and multicultural students and their families.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

2020-21 Teacher Preparation and Placement

| Authorization/Assignment | School Number | School Percent | District Number | District Percent | State Number | State Percent |

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

| Misassignments | 0.00 | 0.00 |
| Vacant Positions | 0.00 | 0.00 |
| Total Teachers Without Credentials and Misassignments | 0.00 | 0.50 |

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

| Indicator | 2020-21 | 2021-22 |
|--|---------|---------|
| Credentialed Teachers Authorized on a Permit or Waiver | 0.00 | 0.00 |
| Local Assignment Options | 0.00 | 0.00 |
| Total Out-of-Field Teachers | 0.00 | 0.00 |

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Class Assignments

| Indicator | 2020-21 | 2021-22 |
|--|---------|---------|
| Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned) | 0 | 0 |
| No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach) | 0 | 0 |

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

On Monday, September 11, 2023, the Buena Park School District's Governing Board held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Governing Board approved Resolution #22-11: Pupil Textbook and Instructional Material Compliance 2023-2024, which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students in the district, including English learners, to the extent that each pupil has a textbook or instructional materials or both to use in class and to take home; and (2) that sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in English/language arts, math, science, and history-social science.

All textbooks and support materials are selected from the state's list of approved materials and adopted by the State Board of Education. Materials approved for use are reviewed, and a recommendation is made to the Governing Board by a selection committee composed of teachers, administrators, and parents. All recommended materials are available for parent examination at the district office prior to adoption. The following information shows the currency and availability of the textbooks and other instructional materials used at the school as of September 2023.

School Facility Conditions and Planned Improvements

The custodian inspects facilities every morning before school begins for safety hazards or other conditions that need attention before students and staff enter the school grounds. One full-time day custodian and one and one-half full-time evening custodian are assigned to Charles G. Emery Elementary School. The day custodian is responsible for the following:

- Classroom cleaning
- Cafeteria/kitchen setup and cleanup
- Restroom cleaning
- Main office cleaning
- Event set up

Restrooms are checked throughout the day for cleanliness and subsequently cleaned as needed.

Evening custodians are responsible for:

- Classroom cleaning
- Restroom cleaning
- Cafeteria cleaning
- Main office cleaning

The principal communicates with custodial staff daily concerning maintenance and school safety issues. All classrooms, restrooms, and common areas are sanitized daily using peroxide-based cleaning agents and electrostatic sprayers as needed. Special custodial cleaning crews are also utilized to immediately sanitize any areas on campus that had students or staff test positive for COVID-19. Additionally, all staff receive (Healthy School Act Required Annual Training). This training then gives each person the legal ability to personally use the TRU-SHOT disinfectant handheld sprayers in their work areas for added protection.

Facilities Inspection

The district's maintenance department inspects Charles G. Emery Elementary School annually per Education Code §17592.72(c)(1). Charles G. Emery Elementary School uses a site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place on December 5, 2023; deficiencies are noted in the school inspection survey and corrected in a timely manner by the district's maintenance department. During the fiscal year 2023-2024, all restrooms will be fully functional and available for student use. The district makes great efforts to ensure that all schools are clean, safe, and functional through proper facility maintenance and campus supervision. Charles G. Emery Elementary School's original facilities were built in 1961; ongoing maintenance and campus improvements ensure facilities remain up-to-date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. School and district staff use a work order process to communicate non-routine maintenance requests. Emergency repairs are given the highest priority. In the last 12 months, the following improvements have been completed:

- Remodel portables,5,6,7,12,12R. Add office in P-12R. Install new perimeter fencing along the Golf course side of the field. Stripe West parking lot. Paint front office. MPR remodel completed. Install front entry siding. Install padding around solar pillars. Cal Shape A/C inspection and repairs.
- Annual Preventive Maintenance includes staff ID badges, air conditioning repairs & filter replacements with Merv 13 rated filters, test fire alarm system, service fire extinguishers, service backflow devices, trim trees, deep clean campus, replace basketball nets, paint front parking lot curbs.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

| Subject | School 2021-22 | School 2022-23 | District 2021-22 | District 2022-23 | State 2021-22 | State 2022-23 |
|--|-------------------|-------------------|---------------------|---------------------|------------------|------------------|
| English Language Arts/Literacy (grades 3-8 and 11) | 68 | 66 | 40 | 40 | 47 | 46 |
| Mathematics (grades 3-8 and 11) | 68 | 69 | 30 | 33 | 33 | 34 |

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Professional Development

Over the past three years, professional learning for the Buena Park faculty has been aligned to the California State Content Standards and Frameworks, Multi-Tiered System of Support (MTSS), and Emery Elementary's School Plan for Student Achievement. At the District level, a team of administrators specializing in curriculum and instruction identifies teaching and learning strengths and specific areas of need. Using site surveys combined with data analysis from state assessments and District benchmark tests, a district-wide focus on increasing academic proficiency levels for all students is planned.

On-site Professional Development: Every week, teachers are provided professional development opportunities in instructional strategies, assessments, and curriculum planning. During the year, time is devoted to data analysis and planning for differentiated instruction and intervention. Site professional development is mirrored with the district plan for instruction and assessment and is designed to meet the specific needs of Emery Elementary students.

District Professional Development: The school district provides teachers with ongoing professional development to advance content knowledge, instructional expertise, and collaborative planning. Training to support teachers with implementing district-wide initiatives, including Common Core State Standards, new curriculum and units of study, assessment development, and establishing Professional Learning Communities. Teachers are given opportunities to develop both the art of teaching and instructional leadership skills by attending ongoing training and coaching led by OCDE (Orange County Department of Education) consultants in CGI (Cognitively Guided Instruction), literacy consultants, ELD (English Language Development) consultants, and the District TOSA.

Emery Elementary School staff participated in the following professional learning activities over the past three school years:

- Common Core State Standards
- Writing Workshop Strategies
- Balanced Literacy
- Assessment and data analysis
- Reading and Writing Workshop
- District Zearn Math and CGI training
- Academic discourse and student engagement
- Next Generation Science Standards (NGSS) instructional shifts, curriculum, and resources
- STEM practices and planning
- History-Social Science standards, resources, and instructional best practices
- Designated English Language Development (D-ELD) training in instructional practices and assessment
- Innovative integrated technology
- Positive Behavior Intervention Support (PBIS)
- SEL data review and training

Professional Development
