

Parley's Park Elementary School

Digital Citizenship Plan

Parent Handout: 2023-24

Why: Digital Citizenship is a valuable part of our student's curriculum, and it takes all of us to teach our kids the importance of it. Being there for them on a daily basis to support them in this area is crucial for all parties. Teaching our students how to conduct themselves online is now an integral part of preparing them for their future.

What: Common Sense Media Curriculum/Counselor Curriculum:
