General Overview

- Object of both men's and women's lacrosse is to score more goals than the opposing team by shooting the ball into the opponent's netted goal.
- Women's rules allow 12 players on the field, limit stick contact, prohibit body contact and therefore, require little protective equipment.
- Men's lacrosse rules allow 10 players on the field and some degree of stick and body contact, but violence is neither condoned nor allowed.
- Resembles strategies of basketball, soccer, hockey and field hockey on a field similar to a soccer field.
- "The addition of lacrosse builds on the IHSA mission of offering a wide range of participation opportunities for high school students in Illinois," said IHSA Executive Director Craig Anderson. "The IHSA board has been extremely diligent in evaluating lacrosse's status as an IHSA sport over the past seven years, and based on the continued growth, felt the time was right to begin in the spring of 2018."

Re: FBLA Overnight Trip Request for April 5-7, 2018

Dear Esteemed Members of the Board of Education,

This year, FBLA will have the State Conferences in Springfield, IL. This competition conference has highly competitive individuals and teams and showcases many competitors that are slated to place in events at the National level.

The conference will be at the Crowne Plaza Hotel on Friday, April 6th and Saturday, April 7th. The event begins at 9:00 am on Friday, April 6th and wraps-up at approximately 3:00pm on April 7th. With travel times approximated around 5 hours, students would arrive back to GCHS around 8:00pm on Saturday night.

Adviser Jon Schaap and I have discussed the logistics of the trip and we both feel that an overnight stay is warranted to ensure that our competitors arrive on-time and are well-rested. We want to put our best foot forward competitively. Jon plans to leave Grant Community High School after the conclusion of the school day on Thursday, April 5th on two activity buses.

You have been so supportive of our student groups and we'd love the opportunity to bring home national qualifiers this year to Grant Community High School. Thank you for your time and your consideration.

Sincerely,

Casey Duval
Assistant Director of Student Activities

Re: Debate Team State Trip

Dear Esteemed Members of the Board of Education,

Our debate team will potentially qualify for the IHSA State Debate Tournament in Springfield, Illinois between Friday, March 16 and Saturday, March 17. We are requesting your approval for two sponsors, Head Coach Max Boton and Volunteer Assistant Coach Audrey Hutchings, to accompany the participating students to Springfield between March 15 and March 18.

The check-in time for the event occurs on Thursday, March 15 between 6:00-9:00pm. With a four-hour drive on a GCHS Activity Bus, it is necessary to travel on Thursday, March 15 to Springfield. The students and coaches will depart from GCHS at approximately 12:00 pm. Therefore, we are requesting an overnight stay for the Debate Team between Thursday, March 15 and Sunday, March 18. Debate finals and awards wrap-up at approximately 9:00pm on Saturday, March 17. Once again, taking a four-hour commute into account, we are requesting a stay on Saturday, March 17 to avoid arriving back at approximately 1:00am.

We are asking the district to cover the cost of tournament registration, hotel accommodations, and sponsor/student food expenses. Max and Audrey will ensure that two chaperones are present to supervise and assist students throughout the entire trip.

Anticipated costs for 10 competitors and two coaches (estimates):

Meals: $1118.00
Lodging: $1200.00
Registration: $250.00

The students are extremely excited about this opportunity to represent GCHS at the state tournament. You have been so supportive of our student groups and we'd love the opportunity to bring home a state trophy this year to Grant Community High School. Thank you for your time and your consideration.

Sincerely,

Casey W. Duval

Again, I cannot reiterate enough my gratitude for the opportunity Grant Community High School has presented to me.

English Language Learner Testing

English Language Learner Testing is concluding on Friday, February 16. All students who qualify for ELL services are required to take this annual assessment. We started the year with 33 students who qualified for ELL services, and 12 students elect to receive services here at Grant. Student results are anticipated in May. This is the third year of electronic testing, and Nikki Frett, ELL teacher, Veronica Lukemeyer, Area Administrator, and the Technology Team all worked diligently to complete this required testing.

Parent University

On January 31, at 6:30 p.m. 46 parents joined Greg Urbaniak and staff members for *Supporting Our Students 101*. The focus of these sessions is to help parents learn how they can provide additional academic support and guidance for their students so they can help them flourish during high school and beyond. Students were able to select up to three break-out sessions to attend, depending on their interests. Looking ahead to the February 21 Parent University, we are hosting a screening of *Most Likely to Succeed* a documentary examining the history of education in the United States and looking at innovative, compelling new approaches in education.

Spanish Placement Tests

Annually in February, we administer a local Spanish Placement Test for current students as well as incoming freshman enrolling in Spanish for the first time. The primary goal of the test is to identify students who are ready for Spanish II coursework or higher. A testing day on February 14 is held at Grant for our current students, Gavin students, and Stanton students. Additionally, this year again we are going out to Palombi and Big Hollow to administer our placement test to their students, on February 20 and February 23 respectively, in an effort to solicit as many test takers as possible.

Winter Formal 2018

On February 24, we will be "Dancing Through the Holidays" during this year's Winter Formal. The week's activities begin the school week of February 19 and concludes with the dance on Saturday evening from 7:00 p.m. – 10:00 p.m. During the week, we have a full schedule of spirit days where students will be dressing up for different holidays. All events are coordinated by Mrs. Notriano and the sophomore class. Tickets for the dance are $12 per student. Proceeds from the dance stay with the class and ultimately are used to defray the cost of Prom.

Student Registration

Counselors are actively meeting with students to register for classes for next year as they make their final registration push. February 23 is the last scheduled date for student pre-registration meetings, and March 23, 2018 is the last day for students to request schedule changes for 2018-2019. Administratively this is an important time of year for us, as we will soon begin to determine the necessary number of class sections and teachers needed to staff those sections.
