Academic Success

High school students take the SAT in English Language Arts and Math. The display shows SAT ELA & Math results in four performance levels.

English Language Arts

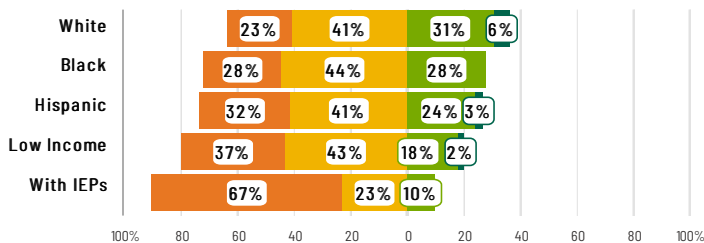

Mathematics

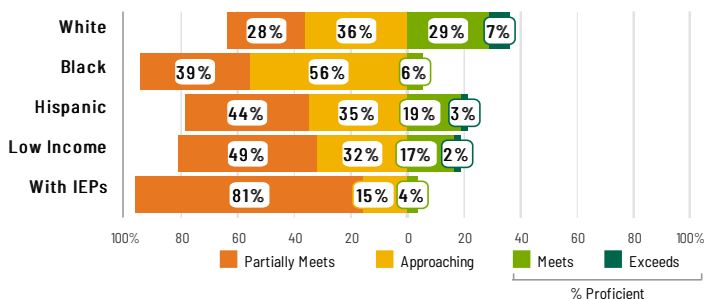

Success by Student Group

This display shows SAT ELA & Math performance levels for each student group. No data is shown for groups with fewer than 10 students.

English Language Arts

Mathematics

School Environment

The **5Essentials Survey** allows students in grades 6-12 and all teachers to share their perspectives on essential conditions for learning. The anonymous survey consists of 5 components.

- Most implementation
- More implementation
- Average implementation
- Less implementation
- Least implementation
- Not Applicable/Low Response

Response Rates

Students	93%
Teachers	86%

Average Effective Leaders

Do principals and teachers implement a shared vision for success?

Average Collaborative Teachers

Do teachers collaborate to promote professional growth?

Average Ambitious Instruction

Are classes challenging and engaging?

Average Supportive Environment

Is the school safe, demanding, and supportive?

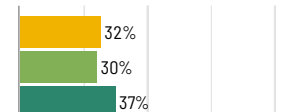

Average Involved Families

Does the entire staff build strong external relationships?

College Readiness

Early College Coursework

Students taking early college coursework in grades 10, 11, and 12

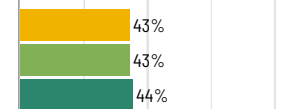

Postsecondary Enrollment

Students who enroll at colleges and universities

Community College Remediation (lower is better)

Students enrolled in Illinois community colleges who require remedial coursework

Graduation Rate

Percentage of students who graduated within 4 years

Grant Community High School

School Highlights

Academic Courses

Grant offers various courses in eleven academic departments. A rigorous core curriculum in Math, English, Science, and Social Studies is complimented by a wide array of electives and technology education courses. Academic highlights includes: 18 Advanced Placement, 26 Dual Credit, 35 Elective, 24 Fine/Applied Arts, and 15 Foreign Language courses

Physical Education, Heath and Wellness

Active student participation is the foundation Grant's Physical Education program. Grant is committed to the development of physical fitness and life-long activity. Grant's courses and curriculum provide opportunities for students to develop healthy lifestyles, enabling them to learn skills needed for lifelong activity and healthy living.

Other Programs and Activities

Grant provides opportunities for all students to become involved in the school community outside of the conventional classroom setting. Students who feel a sense of belonging at Grant have positive experiences and are academically successful. A variety of relationships with parent groups and community associations make Grant a vibrant community.

School Awards

Awards Include: US News & World Report Nation's Best High Schools, National Advanced Placement Scholars Awards, Advanced Placement Honor Roll, Daily Herald Leadership Team Awards, National Merit Scholar Finalists, IHSA State Championships, IHSA State Qualifiers, Conference Championships, and Division Championships.

Career Development Courses and Programs

Professional and Service Occupations, Transportation, Communications and Manufacturing/Industry are among the leading areas Grant students develop skills in Career and Technical Education (CTE). Additionally, many students attend the Lake County High Schools Technology Campus to pursue career/technical education and Dual Credit opportunities.

Athletics

Participation in interscholastic activities fosters a sense of positive family/community representation, pride, and accomplishment. The character skills associated with the involvement in athletics helps students develop leadership qualities necessary for their future success. Grant is a charter member of the Northern Lake County Conference.

School Personnel Resources

School Personnel Resources Include: Career Counselor, Curriculum Specialist, EL Teacher, Librarian/Media Specialist, Occupational Therapists, Paraprofessionals, PBIS Coordinator, Reading Specialists, School Counselors, Nurse, School Psychologists, Social Workers, Special Education Teachers, Athletic Trainer, Speech Language Pathologist, and Deans

Facilities

Grant Community High School Facilities include: 500,000 square feet of academic space, 111 academic classrooms, band room, auditorium, library, computer labs, two competition gyms, field house, weight room, indoor track, dance room, spin room, field-turf field, baseball/softball facilities, tennis courts, wrestling rooms, and cross country track.

School-Level Finance

The Every Student Succeeds Act requires LEAs to report school-level expenditure data, beginning with School Year 18-19 data. LEAs are required to report actual personnel and non-personnel expenditures of both site-specific and district centralized expenditures. Expenditures are shown at the site level and must be disaggregated by source of funds (federal vs. state/local). These data are self-reported and may differ from AFR data.

Educator Measures

This school has had **1 principal(s)** over the past 6 years. In the last three years, an average of **91% of teachers** return to this school each year.

Student Attendance and Mobility

Attendance Rate

Rate at which students are present at school, not including excused or unexcused absences

Chronic Absenteeism

Percentage of students who miss 10% or more of school days per year either with or without a valid excuse

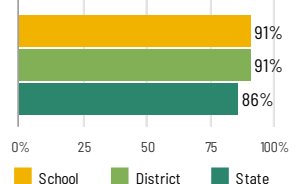

Student Mobility

Percentage of students who transfer in or out of the school during the school year, not including graduates

Teacher Retention

Percentage of full time teachers who return to the same school year to year

FOR MORE INFORMATION

Visit IllinoisReportCard.com to see additional details about each item of information for this school. There you will find charts spanning multiple years, detailed explanations, resources, more of the school's programs and activities, and powerful tools that let you dig deeper into data.

Most of this data has been collected by ISBE from school districts through data systems. Some information, such as the School Highlights, is entered directly by principals and can be updated throughout the year.
