Suggestions:

Find another way to express **Equity in Non-academic Expectation Gaps (Blacks, Hispanics, Low Income, English Learners, IEP and 504 Students)**
Add **Split Campus, Feeder District Communication and Collaboration** should be two separate bullets as they are not one in the same.
Add – **Special Education review of practices/progress at LT**
Rephrase to: Recognized by Others for Tradition of Excellence
Rephrase to: Numerous Academic, Co-Curricular Offerings, and Elective Offerings;
I would put them all in
the same format to indicate what is missing/lacking
Academic Achievement Gap (amongst the following populations: Blacks
students, Hispanics students, students from low SES, English Learners, students with IEPs
Inequitable access to opportunities
Lack of academic rigor
Lack of a well-developed system of academic & behavioral
interventions
Implementation of grading practices
Lack of modern facilities & spaces
Lack of social emotional & mental health support
Need for an inclusive school culture
Lack of staff diversity
Yes, the last three can be narrowed and clarified
I would remove “split campus” from Feeder District Communication &
Collaboration
I would add “Build connection amongst the two student campuses”
