

Coaches Information Sheet
2024 Lakota March Madness Basketball Tournament

The tournament will begin on Monday, April 1st and run through Friday, April 12th.

Work with school coordinator and other coaches in your grade to form teams.

- Decide division
 - **GIRLS** teams will have 1 division per grade. Schools with multiple girls' teams in a grade should have talent split evenly.
 - **BOYS Grade 2** teams should have the talent split equally when there are multiple boys' teams in a school.
 - **BOYS Grades 3–6** teams will have 1 team per grade in the RED (competitive) division. Hold assessments to determine players for this team. Then divide the talent into even teams for the BLACK division for the remainder of the students signed up in that grade.
 - Recommended number of players on a team is 7-10.
 - **This format is designed to create a fair and competitive tournament for all the players and teams involved.** Should a team be entered into the Black division that could be competitive in the RED division, that team is subject to disqualification from the tournament (place your teams accordingly). We will also try to seed teams from the same school and grade in opposite ends of the brackets.
- Collect \$25 fee from each player.
 - Cash or check made out to **Lakota March Madness**.
 - Turn in fees to school coordinator by Friday, March 15th.
- Coordinate t-shirt orders for your team.
 - Complete t-shirt order form/link and return to school coordinator.
 - You will need to verify player LAST NAME and SHIRT SIZE.

Practices

- Work with school coordinator to get assigned practice time slots.
- Note that during Lakota Spring Break, no practices at Lakota schools are allowed.
- Use common sense and do not hold it against a player if they miss practice.
- Many schools will have to “double up” and have two teams practice at the same time.
- Keep completed emergency waiver forms on hand for each player. Have these available at all games and practices.
- If coach is a minor age coach (under 18), be sure there is an adult present.

Games

- The March Madness Committee will conduct draws, with team names drawn at random and placed in the tournament brackets.
- Any scheduling change requests must be addressed prior to the beginning of the tournament and will only be entertained if accompanied by a valid reason.
- Games will tentatively be scheduled at Endeavor Elementary, Union Elementary, VanGorden Elementary, Hopewell Junior School, Liberty Junior School, Plains Junior School, and Ridge Junior School.
- Each team will be responsible for providing an individual to handle either the scorebook or the clock during all games.
- Read and understand the tournament rules (handed out at coaches' meeting and posted online). Make sure players get as close to equal playing time as possible.
- Please promote the integrity of the tournament. Many of our players have never played in an organized sporting event.

Gate admission for 2024 will be a \$3 donation per adult...**this includes all coaches and parents.** Please communicate this to your team parents. All net proceeds will go to local charities. In 2023, charitable donations in the amount of \$20,000 were made to local charities.
