

Supporting Safe Inclusive Learning Environments

How does this survey information compare to your experiences at school?	
How are bias and prejudices related?	
How would you describe discrimination to someone else?	
How might bias, prejudice, and discrimination lead to harassment?	
Reflect on the adults you interact with each day at school and identify an adult to whom you would feel comfortable reporting an incident of harassment.	
How can you practice curiosity and empathy to create a safe, positive, and respectful community?
