

CMS Volleyball 2023

The 2023 Volleyball season is here!!

We are looking forward to having a successful season!!!

In order to tryout for CMS Volleyball 2023 you MUST:

1) Register at www.kyrene.org/athleticregistration.

Forms and information are on the CMS website at www.kyrene.org/domain/336.

2) **Complete your online registration** and have your **Physical and Concussion sheet** turned into CMS Athletics **by July 28th** to be put on the **Cleared Lists for Volleyball Tryouts**.

3) Turn your **grade sheet** in before the first day of tryouts. Due to the large number of girls trying out each season, some students will be cut.

Teams will be selected based on the following criteria:

1) The player's academic eligibility, this includes classroom behavior.

2) The player's ability to work as part of a team.

3) The player's ability to listen to and follow constructive coaching instruction. It has been my experience that students who choose not to listen to instruction in the classroom are much the same on the court.

4) The player's ability to demonstrate the skills needed for their position(s), (per rubric)

Tryouts will take place the week of August^h, 16th, and 18th. The only make up day(s) offered will be for an athlete who has a written doctor's note/excuse. Any athlete who is assigned ISI by an administrator during tryouts will be ineligible to participate in that day's tryout. Any student receiving an F will not be allowed to try out. Tryouts will end at 5pm. Please make arrangements to be picked up right after tryouts. **It is important that students are present for each of the ALL PLAYER tryouts.**
