

# CMS Softball 2023-24

The 2023-24 softball season is here! We are looking forward to having a successful season!

**Team will be selected based on the following criteria:**

1. The players academic eligibility, this includes classroom behavior.
2. The players ability to work as part of a team.
3. The players ability to listen and follow constructive coaching instruction. It has been my experience that students who chose not to listen to instruction in the classroom are much the same on the playing field.
4. The players ability to demonstrate the skills needed for their positions(s), (per rubric)

**Tryouts will take place October 23<sup>rd</sup>, 24<sup>th</sup>, and 26<sup>th</sup>.** Tryouts will start at **3:30pm** at **CMS softball field (near front office)** and end at **5:00pm**, please make arrangements to be picked up right after tryouts. Please pick your student up at front office parking lot. Front Gates will be closed and locked until practice is over, if you need to pick up early for any reason please notify coach.

**It is important that each student is present for each of the tryout days.** Please be aware if your student makes the team, they will have academic and behavior expectations to follow during the season in order to participate. We will discuss expectations at parent/team meeting after tryouts.
