

Girl's Basketball Letter 2023-2024

This letter is on behalf of the CMS girls basketball staff. Coach Jordan will be the Varsity Coach. Try-outs will take place on Monday, **January 8th, January 9th, January 11th and January 12th (if needed) from 3:30pm-5:30pm**. All athletes will need to be prepared with athletic shoes, athletic clothes (basketball shorts and a tee shirt), water and a good attitude. Athletes will be evaluated on skills, IQ, sportsmanship, work ethic, off the court behavior and academics. We will be having a closed try-out. Parents will not be allowed in the gym during try-outs.

Each athlete will need to attend all the try-out dates to ensure exposure.

Being a student athlete is a privilege. Athletes will be held to high standards on and off the court. To participate, an athlete cannot have any F's or behavior issues/concerns.

Athletes must be picked up promptly after practice and games. That means within 10 minutes of practice or a game ending.

There will be a parent meeting once try-outs are complete. More information to come.

Thank you,
The CMS staff
