

Spring 2023 NJHS Application Form

Thank you for your interest in becoming a member of the Kyrene Middle School Chapter of National Junior Honors Society. Applications are due by March 10th, 2023 at 3:05 PM for current 6th & 7th graders.

Directions: The National Junior Honor Society is not solely interested in your GPA and academic accomplishments but rather in you as a complete person. Please, thoughtfully consider all sections and provide any information that you believe should be taken into account during the selection process.

Completion and submission of this form does not guarantee selection. Should you have questions about his form, please contact Mrs. Ochoa, Ms. Bazuin, or Ms. Mahalovich.

Only one submission will be accepted per applicant. (A preview is available on the website to help you prepare.)

The National Junior Honor Society looks for the students who show outstanding qualities in scholarship, character, citizenship, leadership and service (the pillars of NJHS).

These five ideals will be considered as the basis for your selection as well as a fundamental part of our chapter activities. No student is inducted simply because of high academic average. The National Junior Honor Society strives to recognize the total student - one who excels in all of these areas.

Scholarship

Everyday Scholarship is a commitment to learning and growing on an educational path. It means making the most of the educational opportunities provided and seeking out learning, not only in school or similar settings, but also personally. Everyday Scholarship doesn't require a minimum GPA—but it does require effort. More importantly, it stems from a desire to contribute to this world in a positive way by building on one's own knowledge, skills, and talent through different experiences.

To calculate your grade point average you need to assign each letter grade a numerical value. A=4 points, B=3 points, C=2 points, D=1 point, F=0 points. Add up the total number of points and divide by the number of grades. GPAs will be verified.

6. What is your cumulative GPA for quarters 1 & 2? *

7. Upload your Quarter 2 report card here. *

Leadership

Everyday Leadership builds on Everyday Service. Service and leadership oftentimes look very similar. Everyday Leadership is carrying oneself with dignity and taking ownership and responsibility for one’s own actions and participation. Being a public speaker, playing quarterback, or having an official title is not required for Everyday Leadership. Everyday Leadership means being an agent—someone who takes action and responsibility—of your own pathway.

8. Are there situations in which you have taken on a leadership role (directing and motivating others), such as a club or student council, leadership, WEB, Scouts, religious groups, team captain, etc? List all elected or appointed leadership positions of responsibility. Please explain how you have been involved, and what this leadership has meant to you. If you have not been in a leadership position, what qualities would make you a good leader in NJHS? *

Character

Everyday Character is valuing diverse cultures and building relationships that reflect love of self but also concern for others. There are endless attributes to good character: perseverance, respect, integrity, honesty, sacrifice—the list goes on. Good and noble character is a high calling. Oftentimes we don’t “see” character unless there is a public display of self-sacrifice, or more often, a very public mistake. Everyday Character is not about praiseworthy or blameworthy behavior but the personal commitment to ethical and compassionate decision making that affects oneself and others.

9. What qualities of character do you possess that make you an ideal member of NJHS? *

Four horizontal lines for writing an answer to question 9.

Citizenship

Everyday Citizenship is accepting one's place and role in the community and seeking to understand the concerns and strengths of that community. Community includes but is not limited to neighborhoods, tribes, and local and regional districts. For young people in particular, Everyday Citizenship is an opportunity to be educated about and to demonstrate care for the issues that impact those who are citizens in their shared community. At NASSP, we also believe that "global citizenship" is something that binds all of us together—adults, young people, and people from different nations across borders and boundaries.

10. What qualities of citizenship do you possess that make you an ideal member of NJHS? *

Service

Everyday Service is seeking out and engaging in meaningful service, not simply doing acts of service to fulfill a school, district, or program requirement, or to collect hours. As Honor Society students, many young teens and young adults at local chapters are required to meet minimum service participation requirements for service.

Although hours are important, Everyday Service is seeing a need and fulfilling it voluntarily. Sometimes it's driven by a passion for a specific cause or people in need. Other times, it's driven by personal or family need, like taking care of siblings or other family members, or maybe even working part-time to help with family finances.

- 13. Service to the community is the major activity of NJHS. List any service activities you have done with school, church, family or community groups (IB) while in middle school. DO NOT list anything in which you have received monetary compensation for. Prior service is not required to be considered for NJHS. If you have not participated in community service, what types of service do you plan to do to complete the service hour requirement? *

- 14. Please reflect on your service. How did your service help improve your community * and what did you learn? If you have not participated in community service, why is service an important pillar?

Awards/Recognition

- 15. Please share any awards or recognitions you have received that you would like * us to know about. These can be both on and off campus. Please include when you received the listed awards or recognitions. If you are unsure, ask your parent/guardian or make your best guess.

Activities

- 16. List all activities in which you have participated on and off campus. These may * include sports, drama, tutoring, etc. Please explain your involvement and accomplishments in these areas.

Personal Essay

The essay should be a maximum of 500 words and be typed in size 12 font. Correct grammar counts, so make sure to proof read your essay. In your personal essay, address the following points.

- 1) Which pillar do you think is the most important? Why do you feel this way?
- 2) Which pillar is an area for growth for you? Why? How can being a member of NJHS help you develop more in this area?
- 3) Explain why you think you would be a good representative for the Scorpion Chapter of the NJHS.
- 4) Explain what service you would like NJHS to be involved with while you are a member. Be realistic, keeping our community in mind.

17. Upload your personal essay. *
