Title VI News

Hello families! We hope you enjoyed your summer and your school year has gotten off to a great start. The staff in our Native American Programs department has been busy. The backpack and school supply distribution event was a success! It was so nice to see so many of our Native American families participate. We appreciate our amazing partners Native Health and Eye Care for Kids for providing services as well. If your student is still in need of school supplies, please reach out to our program by e-mail or phone. We want to make sure all of our students are well prepared for the new school year. We have several important events coming up this month. Our Title VI Ice Cream Social is on Wed., August 10th. Please don't forget to RSVP. Refer to the flyer below for more information. Please join us for the first 2022-2023 Native American Parent Advisory Committee's (NAPAC) General Meeting and Potluck scheduled for Wed., August 31st from 6:00-7:30 pm at the Kyrene District Office. There are officer positions that need to be filled. Please refer to the attached document for more information. We hope you will consider becoming a part of this important committee. We hope to see you and your family at these upcoming events.
