Title VI News

Hello families! August was a busy month for our Native American Programs Department. On August 10th, we had our Meet & Greet Ice Cream Social. Families had the opportunity to enjoy a frozen treat while listening to a presentation from Sharyn Weinheimer, Kyrene Academic Intervention Coordinator, about literacy and strategies to help students be successful. Students had the opportunity to pick out a few books too! It was nice to have the Superintendent, Laura Toenjes, and Board President, Kevin Walsh, stop by and visit with our families. Thank you to all the families who were able to attend this fun event. Last week, we had our first General Meeting and Potluck. A lot was accomplished at this meeting. We appreciate our community partners (Tempe Union High School District:: Native American Program, Native health Phoenix, Salt River Pima Maricopa Early Childhood Education, and Phoenix Indian Center) for sharing information and resources with our families. We would also like to congratulate and welcome our newly elected NAPAC officers. We are looking forward to the upcoming year!
