Title VI News

Hello families! We hope you enjoyed your Fall Break and your students have returned excited and ready to learn. October has gotten off to a productive start. Our Title VI department in partnership with Native Health sponsored a Flu vaccine clinic on Wednesday, October 12th. There was a nice turn out with many of our Kyrene families getting vaccinated. It is great to see our community's commitment to staying healthy! Fall is also a busy and fun time of year at all our Kyrene schools. Parent Teachers Conferences are coming up in the next few weeks. Your child should have brought home a sign-up sheet. If you haven't received one, please check your student's backpack and reach out to their teacher. Having an open line of communication with your child's teachers as well as understanding how their doing in class helps set your child up for success!

Our Native American Parent Advisory Board (NAPAC) needs your help. Please be on the lookout for an e-mail containing a Sign-Up Genius for items and volunteers needed for Fry Bread Fundraisers. The first frybread sale will be held on October 28th at Colina's Fall Festival. All money raised goes to help support our Kyrene Native American students. We hope you can help!

LIVING IN 2 WORLDS
