Title VI News

Hello families! We hope you are enjoying the cooler weather. Last week, Kyrene Middle School hosted a Family Night in the community of Guadalupe. The evening was filled with information and fun. Many of our Pascua Yaqui students and families attended the event and were able to enjoy a nice hotdog dinner and hear the KMS Mariachi group perform. It was nice to see our Native American families participate and help make this event a success!

Our Native American Parent Advisory Board (NAPAC) appreciated all the donations they received for the Fry Bread Fundraisers. The next frybread sale will be held on November 18th at Paloma's Cultural Night. All money raised goes to help support our Kyrene Native American students. We hope you can come out and support this event.

Don't forget to mark your calendars for Kyrene's Native American Program Winter Party, "Winter Celebration Under the Stars". It will be held on Wednesday, December 7th from 5:30-7:30 PM at Paloma Amphitheatre located behind the school. We will be serving a delicious dinner and will have entertainment and activities for the children. More information will be coming out soon. We hope you and your family will be able to attend.

Positive Parenting Event: Be in the Know: Chemicals of Concern

Kyrene School District will host a community event to educate families about current drug threats, with an emphasis on fentanyl and vaping. You will learn facts, trends, signs of use, and resources for prevention and intervention. This event is part of Kyrene's Positive Parenting series and will be held Thursday, Nov. 3, 6:00-7:00 p.m. at the Kyrene District Office, 8700 S. Kyrene Rd. [Register Today](#). For the full experience and the opportunity to ask questions, we strongly recommend attending this event in person. However, due to the high interest in this topic, Kyrene will also livestream the presentation to the Kyrene Facebook page. You do not need a Facebook account to view the livestream.
