Title VI News

Happy February! There is so much to love this month about our Title VI Program. Earlier this week our Native American Program staff took 8th grade students to ASU's ReCharge Event at ASU West Campus. The students had an amazing time learning about ASU and the many opportunities it offers to Native American students. They also got to listen and learn from several engaging guest speakers about the importance of their Indigenous identities and working hard in school in order to accomplish their goals.

Our Title VI staff would like to remind families of the upcoming Literacy Night Event. It will be held on Wednesday, February 8th from 6:00-7:30 PM at the Kyrene District Office. There will be storytelling and literacy activities for the students. Parents will get to hear a presentation on, "Raising Confident and Competent Children". Ideas and strategies will be shared. The families will then come together to share a delicious dinner and listen to an amazing storyteller. Families must RSVP for the event by Monday, February 6th at (480) 541-1133. Please leave your name and student's name as well as the number of people attending. We hope your family can make it!

Help Us Celebrate Your 5th & 8th Grade Graduating Students

If you have a 5th or 8th grade student graduating this year, we want to help you celebrate their achievement. Please send in a picture and short write-up about your student. Don't forget to include the school they attend and their future goals. We would love to feature them on our Facebook page. Please send your submissions to Nerissa White at NWhite@Kyrene.org.
