Let's Celebrate Your 5th & 8th Grade Graduating Students

If you have a 5th or 8th grade student graduating this year, we want to help you celebrate their achievement. Please send in a picture and short write-up about your student. Don't forget to include the school they attend and their future goals. We would love to feature them on our Facebook page. Please send your submissions to Nerissa White at NWhite@Kyrene.org.

Title VI News

Our Native American Programs Department had a busy February! Thank you to all the families that came out to our Storytelling and Literacy Night on February 8th. It was a big hit! The students had an opportunity to hear Native American stories, participate in an activity, and choose some new books. Parents got to learn about strategies that help their student to be successful. Families came together to share a dinner and listen to storytelling. Our staff is already looking forward to planning next year's event.

On February 18th, our Title VI staff took 8th grade students to NAU Spirt Day in Flagstaff. The students got to tour the campus as well as learn about the different programs offered. NAU provided us with lunch and we got to see a basketball game in the Skydome. The students enjoyed the game and even got to play in the snow!

Our Title VI staff would like to remind families that the first two weeks of March are devoted to parent teacher conferences. If you haven't already signed up for your conference, please reach out to your child's teacher. Communicating with your child's teacher is very important in helping your student succeed. We are looking forward to finishing the school year strong!
