Title VI News

Our Native American Programs Department has been very busy. On Friday, March 31st our program participated in Kyrene Middle School International Festival. It was full of entertainment by the performing arts program from KMS and other Kyrene schools! Our KMS Native American IB class set up dog blankets to sell to raise money for food and supplies for the Tuba City Animal Shelter. This project is one of three that the Native American IB team is working on. The KMS Native American Club set up their beautiful artwork and craft projects for the community to see and handed out Native American crafts to work on at home. The Navajo tea served by our students was a success! Thanks to Native Health for all the pre-packaged crafts our group handed out. If you're interested in donating any pet supplies for our IB project, please see the flyer below.

As our school year is coming to an end, we have a lot of important upcoming events. If you have an 8th grade student who will be moving on to a high school in the Tempe Union District, you won't want to miss the upcoming virtual information meeting on April 19th. There will be a question and answer session from Valerie Molina and you will hear about opportunities available to Native American students. Also, if you have a student in 5th or 8th grade that will be promoting into a new school next year, we want to help celebrate their achievement by featuring them on our Title VI Facebook page. Please see the attached flyer for more information. The End of the Year BBQ is almost here. We will be celebrating at Kiwanis park on Friday, May 5th. This event is always a lot of fun! Come and enjoy dinner as well as entertainment. Our program will also be recognizing 8th grade graduates at this event. We hope to see all of our students and families at the BBQ!
