Title VI News

Hello families! We hope your first month of school has gotten off to a productive start. The staff in our Native American Programs department are happy to help students and their families. Please reach out with any questions or concerns you may have. Our first raffle drawing in August was a success. We loved seeing our Native American students first day of school photos. Please visit our program Facebook page to see the slide show of all our entries. Be on the lookout for our next drawing in October.

The Native American Parent Advisory Committee needs your help! There are officer positions that need to be filled. Included in the email this newsletter was sent in, is an attachment that explains the different parental roles that need to be filled. We hope you will consider becoming a part of this important committee. We also hope that you will be able to join us for the General Meeting on September 28, 2021.
