Title VI News

As we look forward to summer break after a busy and productive school year, it's important to remember to finish the year strong! The Title VI Native American Program has been busy this past month. An exciting event that our 8th grade IB students and Affinity Club members took part in was the Arizona State University RECHARGE Conference. It was held on April 25th on ASU's Main Campus. The students had the opportunity to attend inspiring presentations, including topics on culture and identity, college readiness, financial aid and scholarships, and resources available to our Native American students. The students also enjoyed a delicious lunch at Forks Up in the Memorial Student Union. They ended their day touring the campus. It was a fun and informative day for all who attended. We look forward to attending this event again next year.

Please don't forget to RSVP for the End of the Year BBQ. The event is fast approaching. We hope to see everyone there!

STUDENT SPOTLIGHT

We are happy to announce that Leean Campas, Pascua Yaqui Tribe, seventh grade at Kyrene Middle School was the recipient of the Tempe YouthFest Courage Award from the City of Tempe. This Award celebrates students who have courageously overcome incredible adversity and who have chosen to make their education a priority while facing life challenging events. Leean was nominated by Tamzyn Whitaker, Program Coordinator who has worked with Leean for the past four years and has witnessed a positive change in Leean despite the challenging times. Leean is loyal, honest and strives to do her best for her family, her friends and with her school grades. Leean enjoys participating in her Native American Affinity group at KMS.
