Title VI News

Hello families! I hope your new year has gotten off to a great start and your students are adjusting to online learning. Our raffle drawing in December was a success. Both students were very excited to except their holiday themed baskets. The students who won had participated in at least one of the previous drawings. Please know that even if you don't win your name is kept and included in future drawings. It is definitely worth it to participate! In February, we want to see our students show us how they and their families keep their mind, body, and soul happy and healthy during this challenging time. Please refer to the flyer below for more information. We can't wait to see all of the creative entries! Please be on the lookout for these photos on our Facebook page throughout the month of February.

Included in the email this newsletter was sent in is a link to complete a survey about our grant that funds our Native American Programs Department. Please take the time to complete this survey. It gives you the opportunity to share what objectives you feel are important to address in the years to come. Also, please plan on attending the Native American Parent Advisory Committee Virtual General Meeting on February 3rd. We will introduce the NAPAC board and Title VI staff, we will have a guest speaker from Native Health that will be discussing the COVID vaccine, and hold a round table discussion on issues with virtual learning. The Zoom link is on the flyer below. We hope you can make it!
