FAQs

How do I know if I'm eligible to participate in the RetireRehire Program?

Most of all, you must be eligible to retire with ASRS and your employer needs to partner with ESI. Your HR department can help confirm eligibility.

Why do I need to be employed by ESI?

By being employed by ESI when you retire, you avoid the stringent limits or year-long separation required to return to work directly with an ASRS employer.

How much is my Return-to-Work pay?

The amount you are paid when you are employed by ESI is determined by your employer. Your HR department can confirm this amount.

It's good for me, but is this good for my employer?

Yes, your employer gets to retain you, a very experienced employee. Plus, it's cost effective, making it a win! win!
