Yes No

If you have answered "NO" above, please check the statement below that best applies:

I do not want a formal Title IX investigation, but I would like to pursue an informal resolution process with an assigned facilitator. With an informal resolution, all parties involved will receive a Written Notice of Complaint either by email or certified mail, and the Resolution Notice, prior to the facilitator meeting with the complainant and Respondent. NOTE: This process is entirely voluntary and either party may choose to switch to a formal investigation process at any time.

I do not want a Title IX formal investigation and I would like administration at the school site to investigate the allegation and follow the Kyrene disciplinary process for any allegations (other than sexual harassment) that are found to be substantiated.

In addition, I would like to speak to the Title IX Coordinator.

I certify this complaint is correct and accurate to the best of my knowledge.
