Parent/Guardian Signature: _____ Date: _____

The elective interest sheet must be completed prior to entering information online. The online interest form will be completed at school in November. After the online interest form is complete, your teacher will collect the paper copy of the elective interest sheet.

Each seventh or eighth grade student will be scheduled in four core courses (Language Arts, Mathematics, Science, and Social Studies) based upon data, current course placement, and need. Students who are new to the Kyrene School District are given placement tests upon registration or placed based upon prior school records.

Students also have two elective class periods. Students may have 2 one year-long elective classes, 1 one year-long and 2 semester-long elective classes, or 4 semester-long elective classes.

This paper version of the form along with course descriptions will support families in expressing their elective interests. The form will be kept on file by the middle schools.

Priority is given for placement in year-long elective offerings. Rankings of semester-long elective options is an indication of a student’s interests. Every effort will be made to honor the interests, however due to class size and teacher availability there can be no guarantee that every course will be offered or that the student will be placed in their classes of interest.

Primary Course Interest Options

Complete ONLY ONE box depending upon the length of your primary courses of interest.

Students who wish to take a semester course for a full year may write that course for two of their semester course options (not guaranteed).
