

Parrot Drawing – recommended for grades 3 and higher.

From: <https://www.deepspacesparkle.com/poppy-parrot-draw-paint-along-with-patty/>
Lesson plan published by Patty Palmer

Summary: Students learn to draw a parrot using lines and shapes. Students can choose to draw details around the parrot to show the environment.

Supplies: Paper, pencil and optional materials for color (crayons, markers).

Drawing:

Once your parrot is complete, think of details you can draw. Ideas: plants, flowers, insects, animals, other birds, trees. Try adding lines on your bird to show the texture of feathers.

Examples:
