# HERO MEALS

Feeding Families of North Adams

Dear Belmont Parent,

We are pleased to inform you that your family will be participating in Hero Meals!

Easily transportable bags of food will be available for your child to pick up at the end of the school day each Friday (or the last day of the school week in case of holidays). The bags will be at the bus entrance and main entrance of BES/BMS. This program is free for your family.

We anticipate making the **first distribution on August 25th**. At the end of school that day, a Hero Meals bag will be sent home with your child.

If you have any questions concerning the Hero Meal program, please contact Christina McKay at Belmont Elementary School, 260-724-3137.

We look forward to serving your family this year.

Sincerely,

Hero Meals Committee
