

Treble Clef Note Reading Challenge

Part 1: Write the letter name for each note. If you aren't sure, skip that note and come back to it. If you STILL aren't sure, compare it to a note you know and follow the musical alphabet while counting lines and spaces.

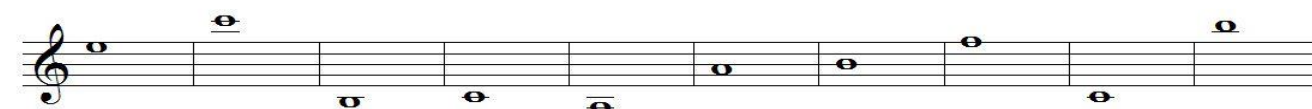

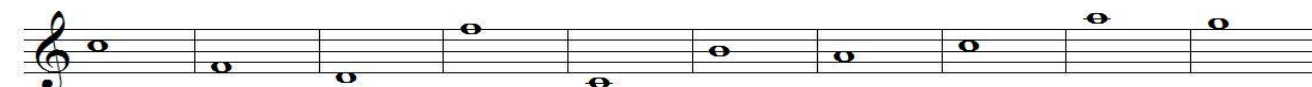

Part 2: Write the letter name for each note. Use a clock or a stopwatch to time yourself and record your time.

Write your time: _____

Part 3: Study any notes you have trouble with.

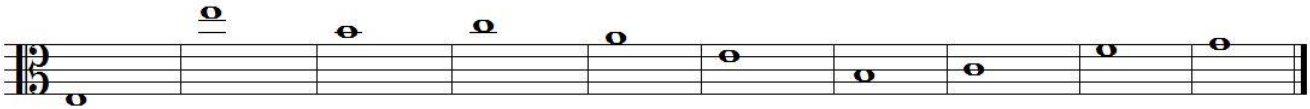

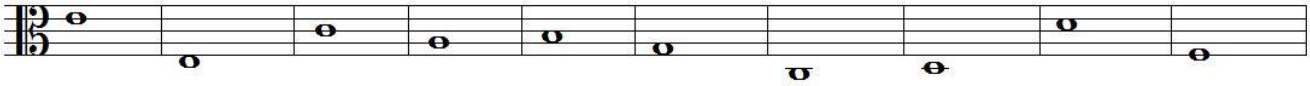

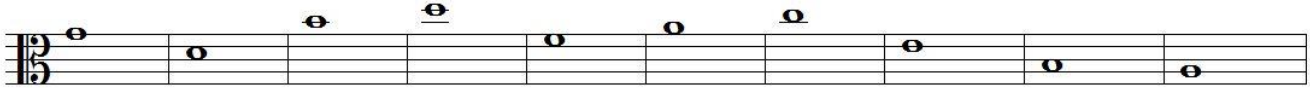

Complete the same way you did Part 2 and compare your time.

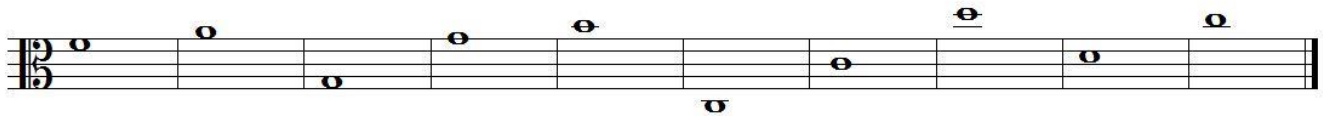

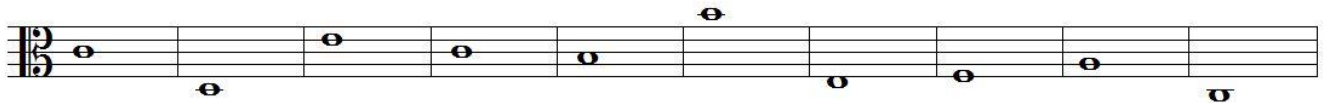

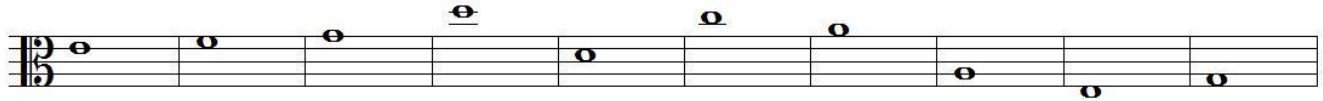

Write your time: _____
