

Kyrene Instrumental Ensemble Enrichment for Middle School At-Home Learning

ENRICHMENT:

Create a Family Playlist

SHORT DESCRIPTION:

Do you have favorite songs?

Do you know what music your parents and grandparents enjoyed, or how they enjoyed it? Find out by creating a Family Playlist!

MATERIALS:

Paper, pencil, phone

OPTIONAL:

Computer or mobile device

INSTRUCTIONS:

- Write down a list of your 3 favorite songs.
- Ask your siblings to name their 3 favorite songs and add these to your original list.
- Ask your parents what some of their favorite songs are CURRENTLY, as well as what some of their favorite songs WERE when they were your age.
- If you can, contact your grandparents and ask them for some of their favorite songs, both CURRENTLY and when they were your age.
 - How are their songs different than yours?
 - How did they listen to music when they were your age? Radio, albums, TV, CDs?
- How about any aunts, uncles, or cousins? Feel free to include as many family members as you'd like.

When your list is complete, share it with your family members. Take an evening and listen to each other's favorites.

EXTENSION IDEA:

- Upload your Family Playlist to YouTube, Google Play, or any music platform to be able to share with your family members.
