Jamie Kaniarz and Jenni Brozowski sent out an email for room parent and/or classroom volunteers for the school year. Prior to Covid, attendance at classroom

parties was very high. School security has become a higher priority which means we will need to limit attendance to school events. Volunteers coming into the classrooms will be limited to six adults per party. Safety is our priority. There are a lot of opportunities to volunteer. Please see the Sign Up Genius that was emailed. Halloween parade and party will be on October 31st (time to be sent out) Parade will be in the bus loop and parties will be inside. New Business

Bylaws were passed out to all members. Thanks to Ingrid and Amanda for helping with editing and formatting. Please read over and voting will take place in October.

5th grade bus transportation to 5th grade camp.

Charter buses have been paid for in the past. Price increased this year due to dates and gas prices.

Julie Eldridge and Dr. DiPonio have found a company with a quote of \$6720.00. This is an increase of \$2320 from our original budget.

The PTO members were asked to vote on the following options:

\$32 per student for family to pay (Cost is already \$215 per student so would raise student price to \$247, to be paid by families) OR

PTO pay for entire amount.

Members were in favor of PTO paying for the additional cost. Voting passed for PTO to pay for additional bus prices.

Ingrid Peeples spoke of the Robotics program that was at Costello in years past. School has equipment and if there are any parents who are interested in running the program, please contact Ingrid for more information. There was also a parent who inquired about Science Olympiad and the possibility of having that program at Costello.

Parent asked about interest on bank account. There is interest on our Savings Account, not on Checking account. Credit Union does pay interest and Chris is intentional about keeping the majority of our money in the Savings so it does accrue interest. Chris Tallman will look into this further.

Rose Cody asked about how we get lunch account balances back since all school lunches are now free. Dr. DiPonio will inquire.

Meeting adjourned at 8:05 PM by Jen Ford.
