

InstructionSummer School Instruction

The Board, at its discretion, may offer summer school for one or more courses and student activities for students who need additional help and instruction or for enrichment in those areas. This decision shall be within the discretion of the Board.

Upon receiving a request for summer school, the Board shall weigh the benefit to the students and the school district as well as the school district's budget and availability of certificated employees to conduct summer school.

Summer school may be established on a tuition basis for students and may be coordinated with other programs or agencies.

It shall be the responsibility of the Superintendent or the Superintendent's designee to develop administrative regulations regarding this policy.
