

**GREENSBURG SALEM SCHOOL DISTRICT  
2023-2024 Schoolwide Title I Plan**

**Dr. Robert F.  
Nicely  
Elementary  
School**

**Vision for Learning**

At Nicely Elementary School all students will grow academically, socially and emotionally based on the shared goals and efforts of our educational community and parents/guardians. Furthermore, Robert F. Nicely Elementary School recognizes that all students must be prepared as pillar citizens and human beings with the knowledge and understandings for character, leadership, scholar, and service, ready to serve their local and global communities for personal, social, economic, and environmental stability and growth.

**Measurable Goals**

**The principal and staff will improve our MTSS model by hosting data check-in meetings with staff (progress monitoring) to increase student academic growth.**

- Standards-Based Learning

**The principal and staff will increase parents knowledge of resources by providing family nights that demonstrate and model strategies that families can use at home to promote student growth.**

- NWEA

**Students and Staff will re-engage in leadership experiences that will include goal setting. Students and staff will participate in the PBIS program that will provide activities that promote and define the letters of the LIONS acronym which stands for Leadership, Integrity, Respect for others and self, Never Give Up, Service, and Scholarship. These activities will help students and staff to develop self-agency and overall health.**

- PBIS

**Ensure the development of a written curriculum for K-5 Science and Social Studies is completed to establish standards-aligned learning expectations.**

- Standards-Based Learning
