January 24, 2024

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2022-23 educational progress for the Middle School at Parkside. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Mrs. Krista L. Jarvey for assistance.

The AER is available for you to review electronically by visiting the following web site <<https://www.jpsk12.org/Page/119>>, or you may review a copy in the main office at your child's school.

For the 2022-23 school year, schools were identified using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has a student subgroup performing at the same level as the lowest 5% of all schools in the state. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state or has a graduation rate at or below 67%. Some schools are not identified with any of these labels. In these cases, no label is given.

Middle School at Parkside has been identified as a Targeted Support and Improvement school. The key challenges at Middle School at Parkside are that we have low percentages of students that meet proficiency. Additionally, our Special Education students achieve at lower rates than others. Our key initiatives being implemented at Middle School at Parkside to accelerate student achievement and close the persistent achievement gaps include but are not limited to PBIS rewards for attendance, achievement, and behavior; After school tutoring for four hours a week; AVID classes; Read and Math 180; The Science of Reading; IXL in Math, Science, and ELA; SEL Activities in class and with Guidance Counselors.

## **State law requires that we also report additional information.**

### **1. PROCESS FOR ASSIGNING PUPILS TO THE SCHOOL**

The Middle School at Parkside is a 6-8 program in the Jackson Public School (JPS) District. There are seven JPS elementary schools that assist in assigning pupils to the middle school program. Students are assigned to MSP based on their area of residence, or through Schools of Choice. Parents complete enrollment forms and students are placed in classrooms once this information is received. All 5th grade teachers play an integral role in assigning appropriate classes for incoming 6th graders, along with our counseling and administrative staff. The Middle School at Parkside offers student shadowing, building tours, open houses, and 6th grade orientation to aid in the transition from elementary to middle school.

### **2. THE STATUS OF THE 3-5 YEAR SCHOOL IMPROVEMENT PLAN**

The Middle School at Parkside participates in the MICIP school improvement process in an effort to monitor the implementation and effectiveness of the SIP. A team of teachers, parents and administrators meet monthly to discuss data, strengths, weaknesses and opportunities for students' academic, social and emotional growth. The main emphasis of the 3-5 year SIP continues to be improving attendance, reading growth and proficiency, parental involvement, teaching Michigan's essential content standards and implementation of the school improvement plan. A few highly effective practices used at MSP because of the SIP are multiple parent involvement activities, READ/Math 180 for non-proficient students, the implementation of the Advancement Via Individual Determination program (AVID) and advanced curriculum for gifted and talented students including high school credit/dual enrollment opportunities. The Middle School at Parkside has also entered into a partnership with the Michigan Department of Education to continuously monitor our SIP and implement a multi-tiered system of support.

### **3. A BRIEF DESCRIPTION OF EACH SPECIALIZED SCHOOL**

MSP offers three World Languages including German, Spanish and French. Numerous clubs such as Chess Club, Academic Games, 4-H club, Jazz Band and German Club meet after school to enhance the learning experience for interested students. Students can earn high school credit in World Languages, Algebra and Geometry. Elective offerings include AVID, World Music, Art, Design (Computers) and a variety of Special Education offerings

based on students' Individualized Education Plan (IEP). For the 2022-23 school year, all students were provided a Chromebook computer to work on in-person instruction as well as visual learning days.

**4. IDENTIFY HOW TO ACCESS A COPY OF THE CORE CURRICULUM, A DESCRIPTION OF ITS IMPLEMENTATION, AND AN EXPLANATION OF THE VARIANCES FROM THE STATE'S MODEL**

Education's Model Core Curriculum identifies the curriculum benchmarks and grade level content expectations that Middle School at Parkside teachers follow. To view the core curriculum, you may go to the Jackson Public Schools website at [www.jpsk12.org](http://www.jpsk12.org). The Core Curriculum is a fluid document that evolves as the State modifies the grade level content expectations.

**5. THE AGGREGATE STUDENT ACHIEVEMENT RESULTS FOR ANY LOCAL COMPETENCY TESTS OR NATIONALLY NORMED ACHIEVEMENT TESTS**

All JPS students participate in the Michigan Student Test of Educational Progress (M-STEP) and PSAT during the spring in Reading, Science, Math and Social Studies. This tool helps assess student proficiency in regards to grade level state standards. Middle School at Parkside students, during the 2022-23 school year, used NWEA MAP testing to observe student progress. Below you will see our most recent NWEA MAP data and our 2 most recent years of MSTEP/PSAT data.

<b>NWEA 2022/23-ELA (Students who met projected growth)</b>			
Grade Level	6th Grade	7th Grade	8th Grade
Number of students tested	218	224	192
Percentage Met goal	61%	49%	62%

<b>NWEA 2022/23 Math (Students who met projected growth)</b>			
Grade Level	6th Grade	7th Grade	8th Grade
Number of students tested	229	224	202
Percentage Met goal	59%	47%	59%

<b>M-STEP/PSAT ELA - 2022/23</b>			
Percentage of students tested-96.34%			
Grade Level	6th Grade	7th Grade	8th Grade (PSAT)
Percentage of Students Proficient	19%	15.4%	37.1%
Number of Students Proficient	47	40	81

<b>M-STEP/PSAT ELA- 2021/22</b>			
Grade Level	6th Grade	7th Grade	8th Grade (PSAT)
Percentage of Students Proficient	20.2%	16.3%	42.9%
Number of Students Proficient	51	41	108

<b>M-STEP/PSAT Math - 2022/23</b>			
Percentage of students tested-96.77%			
Grade Level	6th Grade	7th Grade	8th Grade (PSAT)
Percentage of Students Proficient	8.9%	11.2%	10.5%
Number of Students Proficient	22	29	24

<b>M-STEP/PSAT Math - 2021/22</b>			
Grade Level	6th Grade	7th Grade	8th Grade (PSAT)
Percentage of Students Proficient	8.0%	6.8%	17.7%
Number of Students Proficient	20	17	45

**6. IDENTIFY THE NUMBER AND PERCENT OF STUDENTS REPRESENTED BY PARENTS AT PARENT-TEACHER CONFERENCES**

For the Fall conferences on October 11th and 12th, 2023, we conducted parent teacher conferences in the fieldhouse so that parents could see all teachers in one area. 97 parent conferences were held with 6th grade teachers, 87 were held with 7th grade teachers, and 75 were held with 8th grade teachers for a total of 259 conferences with families. For Winter conferences, 113 parents attended conferences on January 18th, 2024 out of 768 total students enrolled.

During fall conferences, on October 12th and 13th, 2022, we conducted parent teacher conferences in the fieldhouse so that parents could see all teachers in one area. 113 parent conferences were held with 6th grade teachers, 120 were held with 7th grade teachers, and 99 were held with 8th grade teachers. For 2023 Winter conferences, 146 parents attended conferences on January 19th, 2023 out of 755 total students enrolled.

In conclusion, I would like to thank you for choosing Jackson Public Schools and The Middle School at Parkside. We truly appreciate having the opportunity to educate your child(ren). We believe we have a lot to offer and continually look to improve the educational experience for all children. This is truly a school "Where Community Comes Together!"

Sincerely,

Mrs. Krista L. Jarvey  
Principal for Instruction  
Middle School at Parkside
