

Kathleen MacDonald High School

2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Contact Information

School Name	Kathleen MacDonald High School
Street	3588 Zanker Road
City, State, Zip	San Jose, CA 95134
Phone Number	(669) 369-4400
Principal	Vivian Rhone-Lay
Email Address	vrhonel@scusd.net
School Website	https://macdonald.santaclarausd.org/
County-District-School (CDS) Code	43-69674-0000000

2023-24 District Contact Information

District Name	Santa Clara Unified School District
Phone Number	(408) 423-2000
Superintendent	Gary Waddell, Ed.D.
Email Address	communications@scusd.net
District Website	www.santaclarausd.org

2023-24 School Description and Mission Statement

MHS opened in August 2022 and welcomed an inaugural class of 215 ninth-graders. In August 2023, we welcomed an incoming ninth-grade class of about the same size, for a total of about 430 students in the 2023-2024 school year. In the Spring of 2023, MacDonald High School was awarded full, initial, WASC Accreditation through the 2025-2026 school year. As part of our accreditation process, our community collaboratively wrote and voted on our school vision and mission statements. See below.

Vision: MacDonald High School will be a fully inclusive community that focuses on each student's educational and interpersonal development to become productive and ethical global citizens in a rapidly changing world.

Mission: To empower all students to develop into ethical, productive, global-minded citizens.

Site data captured from DataZone:

Students: 436

% SPED: 19.95%

& EL: 12.84%

% Foster Youth: 0.69%

%Migrant: 0.23%

%SED: 43.58%

Enrollments by Race/Ethnicity also captured from DataZone:

American Indian/Alaska Native: 3

Asian: 94

Black/African American: 14

Filipino: 55

Hispanic/Latino: 205

Native Hawaiian/Pacific Islander: 5

White: 60

2023-24 School Description and Mission Statement

Due to our small size, our staff is able to ensure that the needs of each student are known and met. Students have a unique opportunity to get to know more of their classmates in both academic and extra-curricular settings. We are also able to offer freshman and sophomore-level classes, including electives and honors courses that are comparable to other high schools in the area. (e.g., AP Spanish Language, AP Computer Science Principles, AP European History, AP 3D Art). Student course requests drive these offerings and any related staffing needs.

One unique feature of the MHS bell schedule is the Personalized Competency Based Learning (PCBL) Time twice a week. This is similar to homeroom, advisory, flex, or tutorial time. During this time, every student meets with their advisor who provides ongoing support and encouragement. This is also the time that students get to attend embedded recovery opportunities (test retakes, additional time to finish assignments, extra help understanding lessons, and more), schoolwide rallies and workshops, club meetings, and activities in the Library and Design Lab.

Our numbers also support full participation in athletics and school activities. In our first two years of operating, we have successfully fielded various Junior Varsity level girls and boys sports, as an official member of the Santa Clara Valley Athletic League (SCVAL): freshman football team, girl's tennis, boy's and girl's teams for: volleyball, basketball, soccer, cross country, softball/baseball, track, badminton, swim and diving. We also have full classes in: Art, Computer Science, Leadership, Music, Theater, and Sports PE. Additionally, our students have started about 18 official clubs (e.g., Gardening, Swifties, Dungeons and Dragons). At MHS, we ensure that every student is involved in at least one sport, activity, or club. All of these are made possible due to our small, caring community.

About this School

2022-23 Student Enrollment by Grade Level

Grade Level	Number of Students
-------------	--------------------

2022-23 Student Enrollment by Student Group

Student Group	Percent of Total Enrollment
---------------	-----------------------------

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

2020-21 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)						
Intern Credential Holders Properly Assigned						
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)						
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)						
Unknown						
Total Teaching Positions						

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)						
Intern Credential Holders Properly Assigned						
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)						
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)						
Unknown						
Total Teaching Positions						

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21	2021-22
Permits and Waivers		
Misassignments		
Vacant Positions		
Total Teachers Without Credentials and Misassignments		

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver		
Local Assignment Options		
Total Out-of-Field Teachers		

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Class Assignments

Indicator	2020-21	2021-22
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)		
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)		

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

All textbooks and materials were reviewed and adopted by the Board of Trustees in 2023 and are current, in good condition, and available to all students. A full list of core and supplemental textbooks and materials can be found on the district website at: www.santaclarausd.org/InstructionalResources.

Year and month in which the data were collected

January 2024

School Facility Conditions and Planned Improvements

General

Santa Clara Unified School District (SCUSD) takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, SCUSD uses a facility survey instrument developed by the State of California OPSC. The results of this survey are available by request made to the SCUSD's Facilities department at (408) 423-2061.

Below is more specific information on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment.

Maintenance and Repair

SCUSD maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

Cleaning Process and Schedule

The governing board has adopted cleaning standards for all schools in SCUSD, Board Policy 3514. The policy can be found online at www.santaclarausd.org/BoardPolicies. The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

Deferred Maintenance

SCUSD participates in the State School Deferred Maintenance Program to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems.

Modernization Projects

SCUSD strives to be a model of financial responsibility, making every effort to spend taxpayer dollars wisely. At the same time, ongoing bond programs are necessary in a district this large, with so many students, teachers, and facilities needs. Bond funds allow the District to maintain safe, modern school facilities and bring in updated technology essential to student achievement. Measure B 1997 improvements included new elementary school play structures, new high school science classrooms and outdoor athletic facilities, the major renovation of eleven elementary schools, an ambitious roof replacement program, and two high school performing arts buildings. Measure J 2004 generated funds to modernize buildings and classrooms for middle schools, high schools, and the adult education campus. Measure H 2010 upgraded fire, safety and security systems, renovated and reopened a closed elementary school, installed solar panels to decrease energy costs, purchased the Agnews campus property, and expanded overcrowded schools. Measure H 2014 funds construction of three new schools on the Agnews campus, expands overcrowded schools, and addresses critical facility needs such as replacing roofs and adding air conditioning to elementary school classrooms. Measure BB 2018 funds the construction of three new schools, reconstructs fields, replaces aging play structures and playground paving, adds shade structures, and upgrades fencing and gates, among many other crucial projects. More: www.santaclarausd.org/bond

Age of School Buildings

The main campus of MacDonald High School was built in 2022.

Year and month of the most recent FIT report

July 2023

System Inspected	Rate Good	Rate Fair	Rate Poor	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	X			Any necessary remediation was minor and addressed immediately or during routine maintenance work orders over school breaks.
Interior: Interior Surfaces	X			Any necessary remediation was minor and addressed immediately or during routine maintenance work orders over school breaks.
Cleanliness: Overall Cleanliness, Pest/Vermin Infestation	X			Any necessary remediation was minor and addressed immediately or during routine maintenance work orders over school breaks.

School Facility Conditions and Planned Improvements

Electrical	X		Any necessary remediation was minor and addressed immediately or during routine maintenance work orders over school breaks.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23
English Language Arts/Literacy (grades 3-8 and 11)						
Mathematics (grades 3-8 and 11)						

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded
All Students					
Female					
Male					
American Indian or Alaska Native					
Asian					
Black or African American

Students with Disabilities					

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 Career Technical Education Programs

Career Technical Education (CTE) prepares students to continue on to postsecondary education with expertise in specific areas. CTE supports high academic standards, includes career exploration, and is designed to offer students exposure to a broad range of career opportunities, access to relevant and rigorous educational programs that help them achieve their career aspirations, and opportunities to benefit from workplace learning experiences. Visit the school's website to view its course catalog for a full and current list of available career technical programs offered at the school.

Students at Santa Clara Unified School District have a variety of CTE programs to choose from. CTE courses are available to students beginning in middle school with options in technology, culinary arts, and construction technology. The two comprehensive high schools offer pathways in Automotive Technology, Biotechnology, Business Technology, Culinary Arts, Hospitality & Management Preparation, Fashion Design, and Information Technologies. Each CTE Pathway has a sequence of two or more courses that build knowledge, skill and proficiency in a specific industry sector and can lead to an industry certification and higher education programs. Articulation agreements with Mission, Ohlone and West Valley Community Colleges are in place for a number of our CTE Pathways, waiving the introductory course requirements once students begin their postsecondary education. Courses with articulation agreements include Automotive Technology, Business, Bio Technology, Culinary Arts, Hospitality & Management Preparation, Fashion Design, Digital Media and Information Technology. All CTE classes generate elective credits that help students toward meeting the district's graduation requirements. Many of our CTE classes offer University of California A-G approved course credit, making it attractive to students wanting both college preparation and the CTE experience. Junior and Senior students at all high schools also have full access to work experience and a comprehensive selection of courses available at the Silicon Valley Career Technical Education Center through MetroEd's joint powers agency.

Students in CTE courses are counseled by their program teacher as well as the full-time career center technician. All of the four high schools have college and career resources that offer college and career planning. Career center technicians arrange college fairs; college visits and presentations with traditional colleges and universities, as well as technical and trade schools; job shadowing opportunities; job fairs; ASVAB and other career assessment testing; scholarship and financial aid advising; test prep and application workshops for all postsecondary schools.

All CTE teachers have received high-quality professional development around the topics of recruitment and supporting non-traditional and special population students as well as topics within their industry field. All CTE classes are aligned with the CTE model curriculum standards for California public schools. The CTE staff works closely with counselors, special education, and ELL facilitators to ensure full access and support for these special population students. All programs complete an end-of-the-year review which includes student surveys, grade review, and enrollment data review as well as descriptive narratives.

The district has nine Carl Perkins programs that follow the quality indicators and criteria for program approval. The district has developed professional partnerships with community organizations such as NOVA, as well as local businesses such as Intel, Cisco, and NextFlex to help students prepare for the workforce and obtain work placements. The SCUSD CTE Advisory Board is comprised of over 30 local industry representatives from our ten industry sectors with programs in our schools and is led by the Coordinator of Career Technical Education.

2022-23 Career Technical Education (CTE) Participation

Measure	CTE Program Participation
Number of Pupils Participating in CTE	
Percent of Pupils that Complete a CTE Program and Earn a High School Diploma	
Percent of CTE Courses that are Sequenced or Articulated Between the School and Institutions of Postsecondary Education	

Course Enrollment/Completion

This table displays the course enrollment/completion of University of California (UC) and/or California State University (CSU) admission requirements.

UC/CSU Course Measure	Percent
2022-23 Pupils Enrolled in Courses Required for UC/CSU Admission	
2021-22 Graduates Who Completed All Courses Required for UC/CSU Admission	

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Grade Level	Component 1: Aerobic Capacity	Component 2: Abdominal Strength and Endurance	Component 3: Trunk Extensor and Strength and Flexibility	Component 4: Upper Body Strength and Endurance	Component 5: Flexibility
Grade 9	0.5	0.5	0.5	0.5	0.5

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

MacDonald High School involves parents in their student's education by informing them of their student's progress and of upcoming events and opportunities. The school maintains a web page, produces a school newsletter, holds parent-teacher conferences, and sends out frequent progress reports. Our Parent Teacher Student Association (PTSA) and support athletics and curricular programs through volunteer hours and funding. Parents also participate in student learning by serving on the School Site Council (SSC), and the English Learner Advisory Committee (ELAC) assisting librarians with textbook checkout, distributing registration and school packets, copy room volunteers, and fundraising. >More information: (669) 369-4400.

C. Engagement

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school Dropout Rates;
- High school Graduation Rates; and
- Chronic Absenteeism

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School 2020-21	School 2021-22	School 2022-23	District 2020-21	District 2021-22	District 2022-23	State 2020-21	State 2021-22	State 2022-23

2023-24 School Safety Plan

All California public schools kindergarten and grades one through twelve must develop a comprehensive school safety plan, per California Education Code sections 32280-32289. School safety plans assess school climate and safety, identifying goals and actions to improve safety and climate. The safety plan is written and developed with collaboration from students, parents, community, and law enforcement. It is reviewed and updated annually with the School Site Council (SSC).

We are committed to providing a safe, responsible and respectful school environment for all students, staff, and community. We support and promote building a sense of community and belonging where every child feels included and valued, teaching children positive social skills and attitudes including resolving conflicts without violence, and preparing for and responding appropriately to emergencies and disasters to keep children safe.

The school safety plan is available for review in the school office and was approved by the School Site Council in 2023.

D. Other SARC Information Information Required in the SARC

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

2020-21 Elementary Average Class Size and Class Size Distribution

This table displays the 2020-21 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per class). The “Other” category is for multi-grade level classes.

Grade Level	Average Class Size	Number of Classes with 1-20 Students	Number of Classes with 21-32 Students	Number of Classes with 33+ Students
-------------	--------------------	--------------------------------------	---------------------------------------	-------------------------------------

2021-22 Elementary Average Class Size and Class Size Distribution

This table displays the 2021-22 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per class). The “Other” category is for multi-grade level classes.

Grade Level	Average Class Size	Number of Classes with 1-20 Students	Number of Classes with 21-32 Students	Number of Classes with 33+ Students
-------------	--------------------	--------------------------------------	---------------------------------------	-------------------------------------

2022-23 Elementary Average Class Size and Class Size Distribution

This table displays the 2022-23 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per class). The “Other” category is for multi-grade level classes.

Grade Level	Average Class Size	Number of Classes with 1-20 Students	Number of Classes with 21-32 Students	Number of Classes with 33+ Students
-------------	--------------------	--------------------------------------	---------------------------------------	-------------------------------------

2020-21 Secondary Average Class Size and Class Size Distribution

This table displays the 2020-21 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts				
Mathematics				
Science				
Social Science				

2021-22 Secondary Average Class Size and Class Size Distribution

This table displays the 2021-22 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts				
Mathematics				
Science				
Social Science				

2022-23 Secondary Average Class Size and Class Size Distribution

This table displays the 2022-23 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts				
Mathematics

Social Science				

2022-23 Ratio of Pupils to Academic Counselor

This table displays the ratio of pupils to Academic Counselor. One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Ratio
Pupils to Academic Counselor	

2022-23 Student Support Services Staff

This table displays the number of FTE support staff assigned to this school. One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Number of FTE Assigned to School
Counselor (Academic, Social/Behavioral or Career Development)	
Library Media Teacher (Librarian)	
Library Media Services Staff (Paraprofessional)	
Psychologist	
Social Worker	
Nurse	
Speech/Language/Hearing Specialist	
Resource Specialist (non-teaching)	
Other	

Fiscal Year 2021-22 Expenditures Per Pupil and School Site Teacher Salaries

This table displays the 2021-22 expenditures per pupil and average teacher salary for this school. Cells with N/A values do not require data.

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Restricted)	Expenditures Per Pupil (Unrestricted)	Average Teacher Salary
School Site	N/A	N/A	N/A	N/A
District	N/A	N/A	\$12,187	\$122,976
Percent Difference - School Site and District	N/A	N/A		
State	N/A	N/A		
Percent Difference - School Site and State	N/A	N/A		

Fiscal Year 2022-23 Types of Services Funded

School Improvement Program (staff development and student enrichment), and other categorical funds (some examples are: School-to-Career, pathways, STEM curriculum supports, and teen empowerment education).

MacDonald High School has several specific programs designed to help students explore their academic and career options. Our efforts to help all students reach their academic and post-secondary goals include programs such as Personalized Competency-Based Learning (PCBL) Time. This is similar to homeroom, advisory, flex, or tutorial time. During this time, every student meets with their advisor who provides ongoing support and encouragement. This is also the time that students get to attend embedded recovery opportunities (test retakes, additional time to finish assignments, extra help understanding lessons, and more), schoolwide rallies and workshops, club meetings, and activities in the Library and Design Lab.

Fiscal Year 2021-22 Teacher and Administrative Salaries

This table displays the 2021-22 Teacher and Administrative salaries. For detailed information on salaries, see the CDE Certification Salaries & Benefits web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Category	District Amount	State Average for Districts in Same Category
Beginning Teacher Salary		
Mid-Range Teacher Salary		
Highest Teacher Salary		
Average Principal Salary (Elementary)		
Average Principal Salary (Middle)		
Average Principal Salary (High)		
Superintendent Salary		
Percent of Budget for Teacher Salaries		
Percent of Budget for Administrative Salaries		

2022-23 Advanced Placement (AP) Courses

This table displays the percent of student in AP courses at this school.

Percent of Students in AP Courses	

This table displays the number of AP courses offered at this school where there are student course enrollments of at least one student.

Subject	Number of AP Courses Offered
Computer Science	
English	
Fine and Performing Arts	
Foreign Language	
Mathematics	
Science	
Social Science	
Total AP Courses Offered Where there are student course enrollments of at least one student.	

Professional Development

Staff development activities and expenditures are tied to district and school goals including the SPSA, WASC, LCAP, and District Strategic Plan. Staff development time continues to support teachers in self-reflection, analysis of student achievement data, and collaboration activities designed to help reach achievement goals. We believe in modeling lifelong learning for our students by engaging in collaborative sessions and professional development opportunities that align with the school's School Plan for Student Achievement (SPSA) goals and support student achievement in content standards and Expected Schoolwide Learning Results (ESLRs). District and school staff development programs support meeting the academic, social, and emotional needs of all students by providing opportunities for teachers to advance their skills, develop teaching strategies, and create curriculum. During staff in-service days, teachers share information about instructional practices, cognitive development and learning disabilities, and best practices for English Language Learners. These presentations and workshops help us understand who our students are so we can better support them with individual counseling, curriculum design, and instructional practices.

In addition to the number of school days dedicated to districtwide professional development, there is professional development happening on the school campus through professional learning communities, where teachers meet to discuss best practices while assessing student work.

This table displays the number of school days dedicated to staff development and continuous improvement.

Subject	2021-22	2022-23	2023-24
Number of school days dedicated to Staff Development and Continuous Improvement	4	4	4
