HOBBIES/INTERESTS

Most of my time is spent binge-watching TV shows and saving recipes I'll never cook! :) I enjoy watching my son grow up and figure out what he will love in life - currently - those things include karate, basketball, baseball, and football. We will figure it out one day! I also enjoy traveling to the beach and putting my toes in the sand!! I am an avid college sports fan and can be found most weekends on the back porch cooking and watching games.

WHAT INSPIRES HER

The ability to work with and learn from an amazing group of educators across the district who continuously cultivate new ideas and approaches in education. It is a truly rewarding opportunity to be able to collaborate with such an exceptional group of coworkers and educators daily. I am thankful for the opportunity to keep learning and growing in my craft.

WHAT SHE LOVES ABOUT RCSD

In my time at RCSD, I have met some truly incredible people who have helped me to grow and learn at every step of my journey. I feel that I am lucky enough to consider many of these people friends in my life and am so grateful to have had the opportunity to get to know them.
