

TSC Kindergarten Online Registration

1. The first thing you need is an access id and access password for your child. Please contact your child's school to obtain this information if you do not already have it.
2. Go to any computer with internet access and go to the following address: <http://www.tscschools.net/>
3. From the website, click on  the menu on the upper right side of your screen. Then select PowerSchool from the menu. Then select  This should take you to the TSC PowerSchool Parent Portal.
4. If you have not already created a login (other children already in TSC), select the tab entitled 'Create Account' section and click on the  link.
5. Complete the information as described below:

The screenshot shows the 'Create Parent Account' form in the PowerSchool system. It is divided into two main sections: 'Parent Account Details' and 'Link Students to Account'. The 'Parent Account Details' section includes fields for First Name (Donald), Last Name (Duck), Email (dduck@gmail.com), Desired Username (mduck45), Password, and Re-enter Password. A 'Create' button is visible next to the password field. A callout box points to this section with the text: 'Complete top section to create your own account. Use your own parent name and email information, and create your own desired username and pw. This is the information you will begin using for all your children'. The 'Link Students to Account' section has a heading 'Enter the Access ID, Access Password, and Relationship for each student you wish to add to your Parent Account'. It contains a table with one row for a student named 'Huxy'. The fields in the table are Student Name (Huxy), Access ID (Old Web ID) (huxy395), Access Password (Old Web Password), and Your relationship to the student (Father). A callout box points to this section with the text: 'Link the student(s)/child(ren) you wish to be tied together to this ONE account: Enter first name of student, Enter Access id you received from the school for accessing this student individually, Enter Access password from the school for accessing this student individually, Select the relationship YOU are to the child from the drop down box'.

6. Scroll down and click Enter when finished.
7. If your creation was successful, you will be directed to the login page. Begin using your newly created username and password.
8. Be sure your child's name is highlighted in the blue bar (correct name next to the 'current student') and click on the  link at the top.
9. Complete all the screens thoroughly. Be sure to click on  on each screen in order to save all data and continue.
10. Meal Applications cannot be completed until mid July, you will need to keep your username and password to re-enter at that time.
11. This same username and password will be used to view grades and attendance for your child, as well.
